Lights, Camera, Action . . Seniors "77"

Left: The "Flaming Babies" the Senior Girls.

"i want to learn what life is for,
i don't want much, i just want more.
ask what i want and i will sing . . .
i want everything,
everything.

i'd cure the cold and the traffic jam,
if there were floods, i'd give a dam.
i've got to grab that big brass ring
so i'll have everything,
everything.

Everything-an ideal, a hope, a dream. A new year said goodbye to another class of Hastings High School Seniors. Many memories have been made and many special moments will be saved to look back on but not to linger on. For tomorrows have already begun for the class of "77" and the future holds many more moments and memories to be made. The future holds "Everything" for those who have ideals, hopes and dreams.

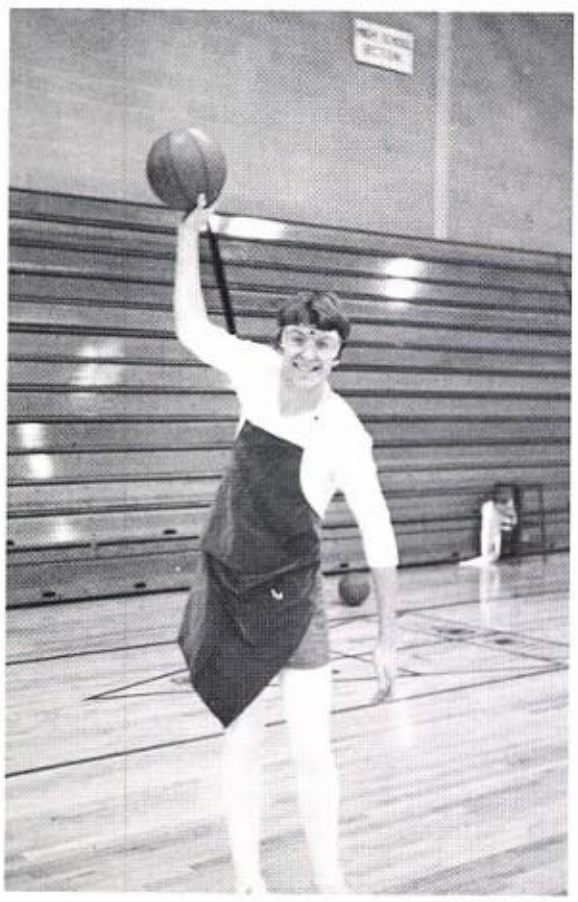
The 1977 Senior Class Shows Senior "Class"

Reichert makes new discovery — the basketball!



Seniors on the bridge plot their next skip day.

"Senior Class" - that's what this years seniors showed throughout the year, not only in their conduct, but in their sportsmanship, citizenship, and all-around friendship to everyone. Sure, there were some bad times and some times when living up to all those qualities wasn't very easy but on the whole this year was made better, not worse, by their contributions.

Being a senior holds a lot of different emotions for a lot of people. In trying to sum up their senior year in a few words the seniors said, "power," "Happy and sad," "a lot of growing up," "Scarey," "one big party," "enjoyable," and "memories." All of them are appropriate but the memories are what we'll have forever, tucked away in a special spot in our hearts.

Julie McCready goes "ape" over Curt Clowe in the halls.

By the looks on the faces of these girls, whatever the latest news is must be unbelievable.

Juniors Play Leading and Supporting Roles

The Co-Stars of the 1976-77 year were the juniors who were always ready to show their class spirit.

On 50's Day they had the most people dressed in those roaring 50's styles. During Spirit Week juniors could be seen in their spirit-raising outfits. For instance one of the junior boys won a pineapple for the most original costume on Islander Day. A couple of others won the "best dressed" on Teachers Appreciation Day. Still others participated in the H.H.S. sports programs. Not only did the guys get involved but the gals did their fair share, also. The gals were Tigerettes, Mat Maids and locker pals. Girls sports activities were also a concern of many girls.

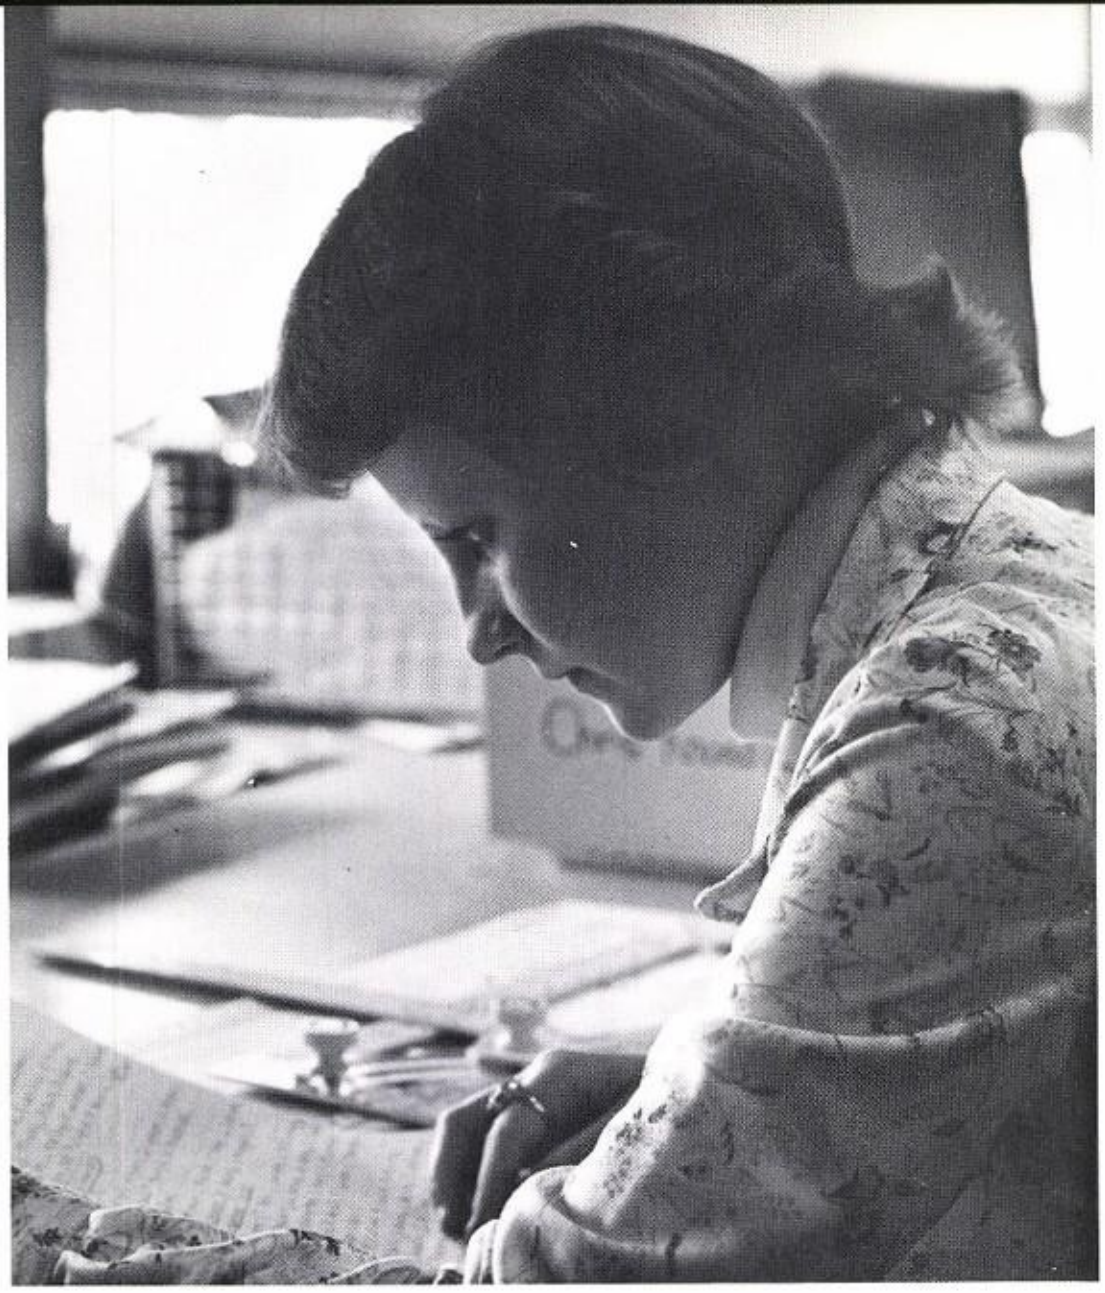
It was a relief to become a junior; you were no longer a sophomore fresh from the crib but also you weren't an almighty senior ready to be abandoned out in the cold, cruel world. Time was theirs and they used it well. They took the initiative, no longer imitating the ways of their upperclassmen but instead chosing their own way.

The next 13 pages are dedicated to that junior class of '77.

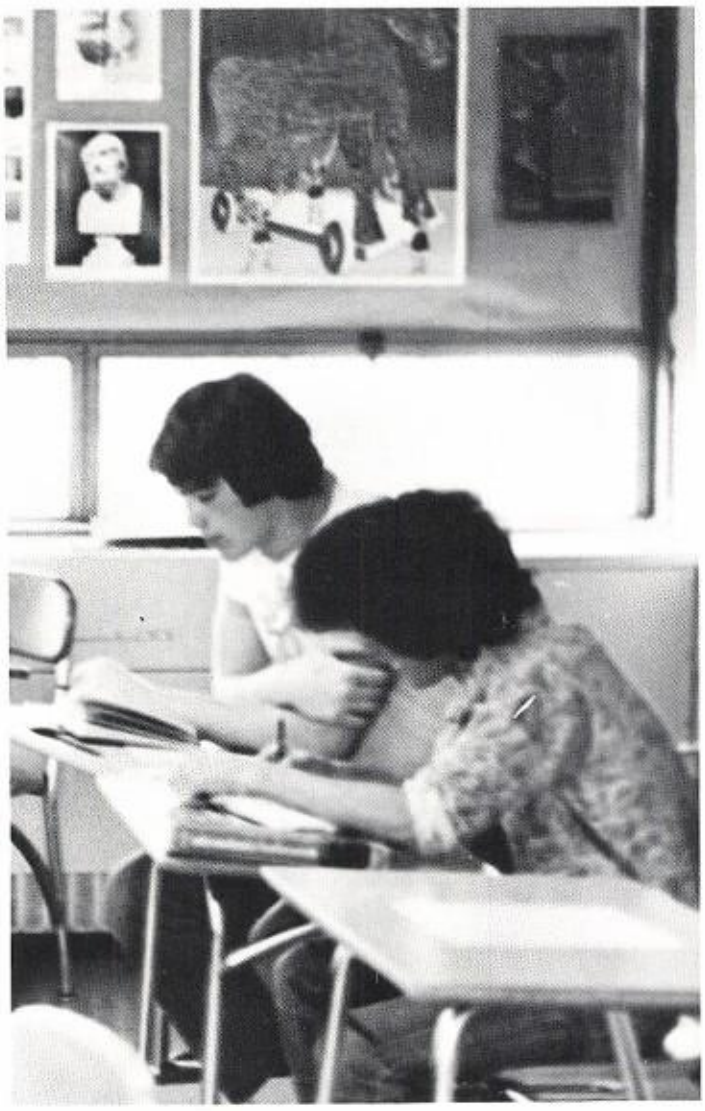
Living up to Mark Twain's philosophy on education, the motto of these juniors seems to be: "I have never let my schooling interfere with my education."

Dave Sypherd braves the halls without a pass.

No, this is not a chorusline from some Las Vegas showroom, but only a group of those talented junior girls struttin' their stuff.



Chris Knoedler works diligently on her yearbook. Chris was the Index-Music Editor.



Rick Wilder and Kevin Sadd find that studying during school hours saves time for other school activities.

Kerry Hamik and Dennis Norton enjoy themselves at a home game.

"Where, What, Who? ..... Me?!" asks junior Madrigal Stew Holms.

Class of '79 Takes on New Role at H.H.S.

One of the many questions asked over the summer was, "Are you excited about high school?" Many answered an enthusiastic "yes" but some answered with a nervous "no". The sophomores got up to HHS and realized it wasn't so bad after all.

It's true their first battle cry was a failure but the Class of '79 quickly caught on to the Tigerland spirit as they became a part of Hastings High.

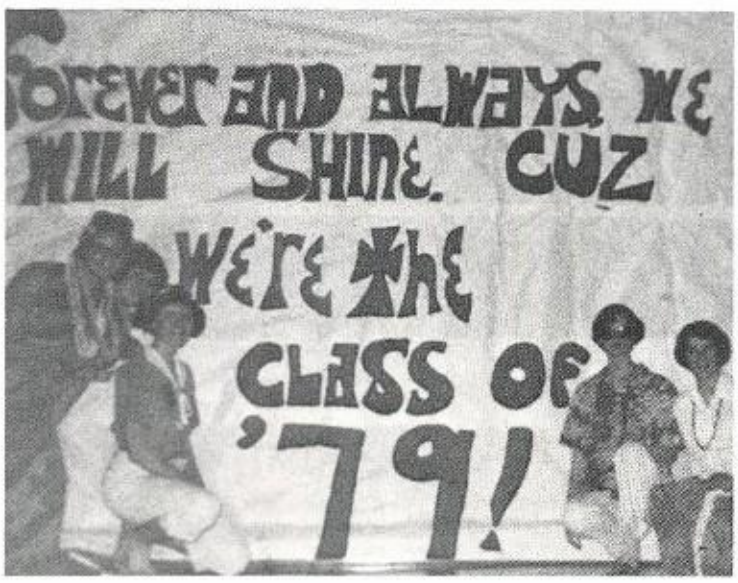
At first Tiger activities seemed strange, but with Homecoming, Spirit Week, Twirp Week and many athletic activities, sophomores soon proved to the upperclassmen that they would be terrific Tigers also.

The sophomores eagerly took part in such organizations as Student Council, Flamingos, Band, athletics, music and many more. Getting involved in these activities meant lots of hard work, a chance to earn a letter, and especially the chance to meet the seniors and juniors.

One sophomore said, "We sophomores played our part well, but I must admit that the seniors are the stars of it all, the juniors are the costars, and we sophomores are just happy to be in the picture."

The sophomores can look back at this year and say, "Forever and always we will shine, we're the Class of '79!"

Jeff Laster says, "Now listen to me."



Islander Day brought much spirit to the basement walls.

Shelly Rainforth, Becky Minnick, and Debbie Kimminau listen to what Mr. Bierman has to say.

Hastings High Hires Eleven New Teachers

Who are the people that are always on stage at Hastings High? They are the teachers. All 67 of them face an audience of students to whom they perform. They conduct classes ranging in subject from general math to auto mechanics, from media to chemistry, and almost everything in between.

This year we had eleven new teachers. They came from various places all over the United States. Most of them attended college in Nebraska.

If the band had a different sound to it this year, it's because Donald Johnson took over the job of band director. He attended many colleges. Among them were Peru State, Nebraska University and Kansas State.

Kay Payne took over where Mrs. Brownell left off. She is the French and psychology teacher. She is also the assistant volleyball coach.

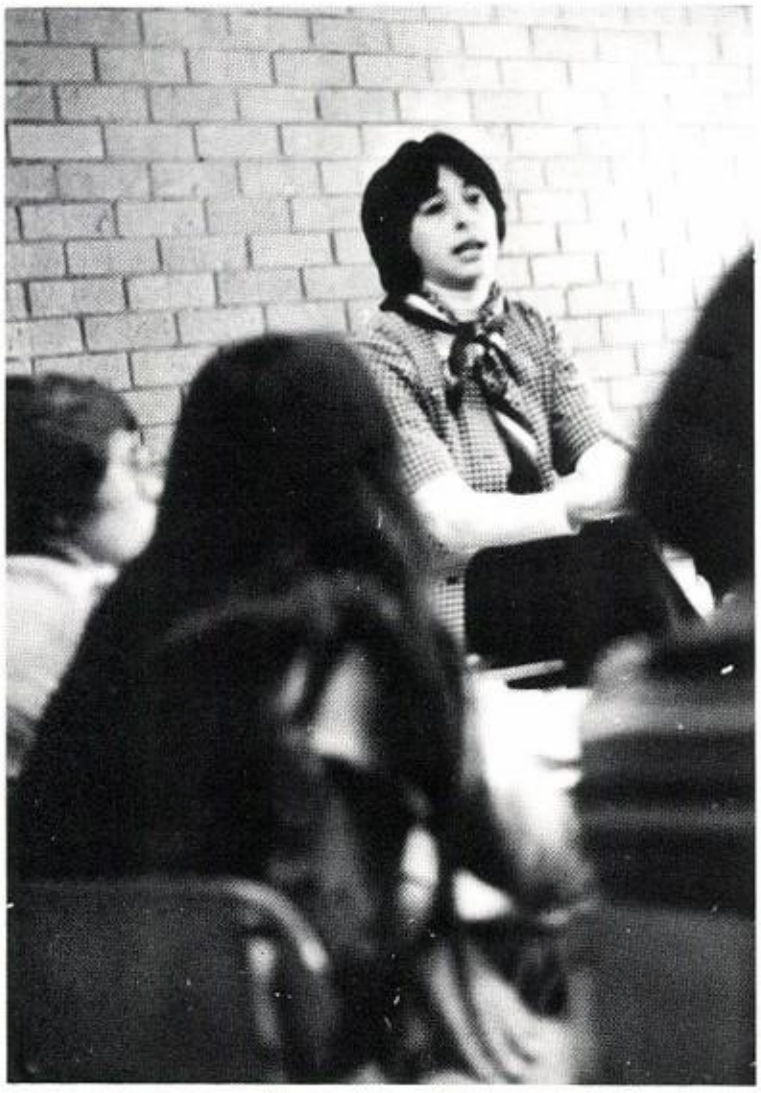
American History and NATIONAL OBSERVER are taught by James Loshbaugh. He is also the assistant wrestling coach. Mr. Loshbaugh is orginally from Kearney.

Helping Mr. Ochsner this year is Ann Henry. She is orginally from Lomoni, Iowa. Along with teaching German, she is a coach for girls track and volleyball.

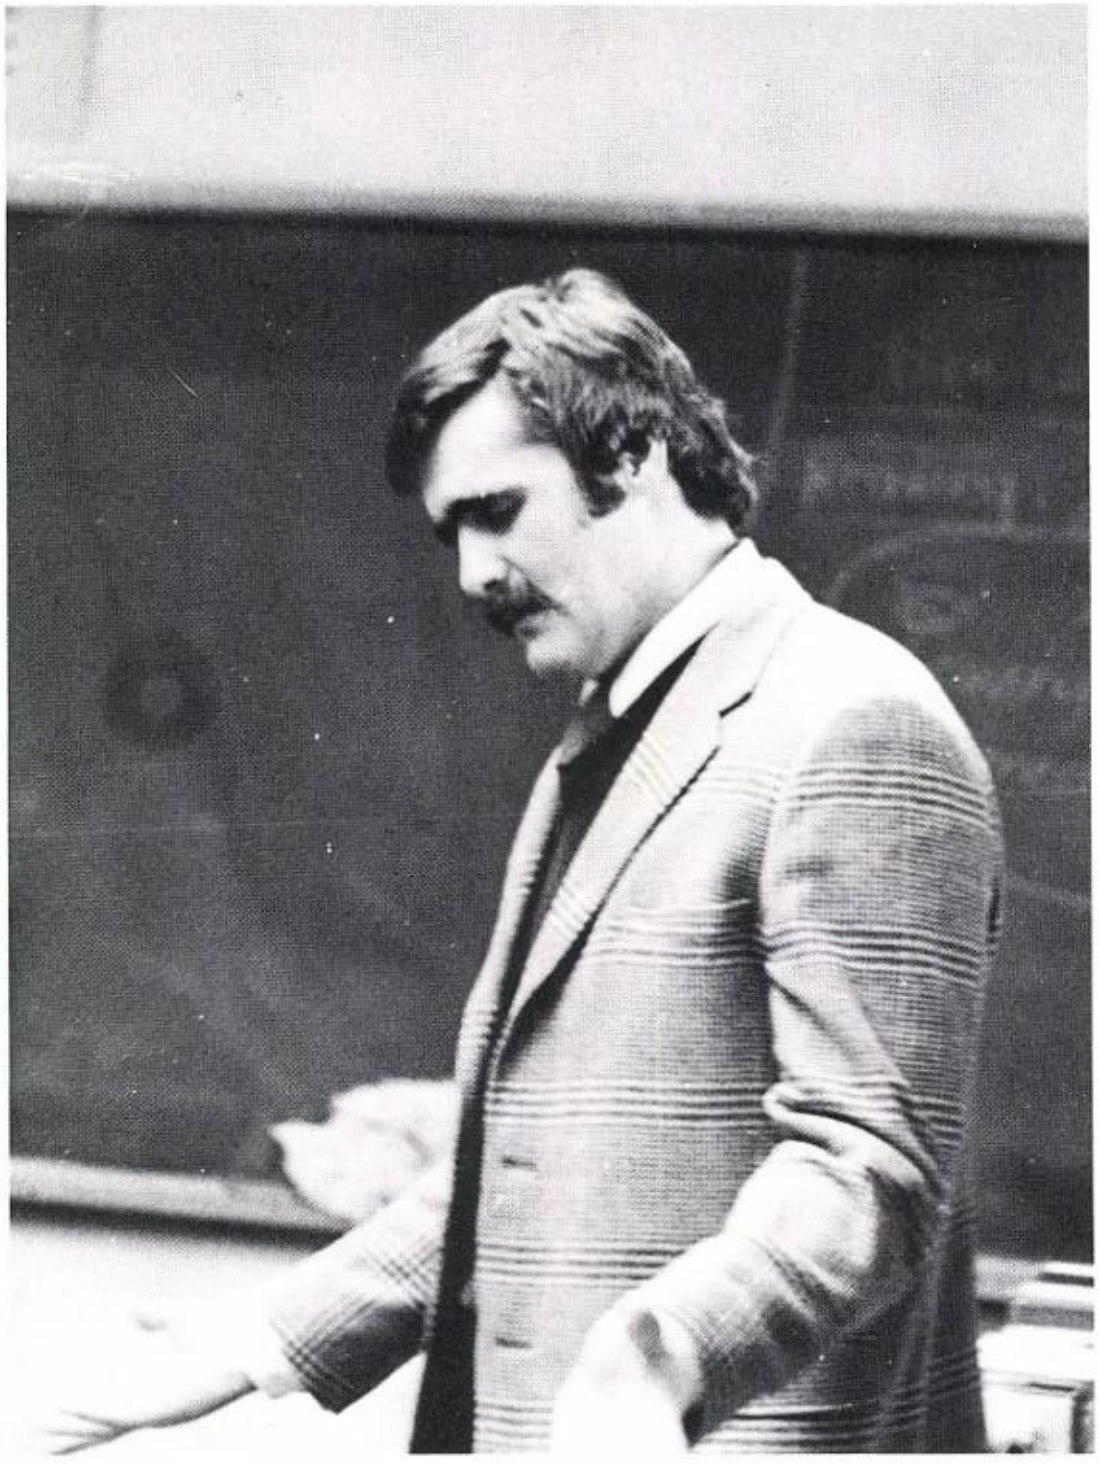
Daniel McCarthy teaches mechanical drawing and Wood 1 & 2. He is orginally from Ainsworth, Nebraska and is a graduate of Kearney State. He taught previously at Hershey, Nebraska.

Lynn Cordell is the teacher of all metal classes along with welding. He also assists with Intramural Volleyball. Mr. Cordell attended Kearney State College, where he received his teaching degree.

These are just a few of the new teachers, at HHS. They, co-starring along with the other teachers, have helped in making this a successful year. They are also looking forward to the next.



Mrs. Moser seems right at home with her teaching.



Mr. May's one of those people who just can't talk without using his hands.

Mr. McAuliff explains to Mike Hohnstein and Russ Poppe that math really isn't that difficult after you've had four years of college.

MUSIC

Band Supplies Much Spirit and Leadership

The Hastings High School Band marches to an "excellent" rating as they compete in the State Marching Festival held in Lincoln.

The H.H.S. Band worked hard during the fall season. They not only performed at all home football games but marched in many competitive events.

Their first performance was a combined half-time show with the Kearney High Band. They also went to Grand Island for the Harvest of Harmony parade and field competition, followed by the Hastings College Melody Round-up, and the State Marching Festival in Lincoln.

For the first year, eight Flag Girls were added to the band. The girls marched in parades and were featured in the Hastings-Kearney half-time show.

The Pep Band performed at all home boys basketball games, and played at three out-of-town games. They also provided spirit for a girls basketball game, girls volleyball, and a wrestling meet.

The Stage Band, and newly formed Lab Band performed at the Hastings College Jazz Festival, and at the Spring Concert.

The Concert Band played at three concerts, and took part in the district music contest.

A highlight for the year was going to Kansas City Worlds of Fun, where they performed and also listened to the bands. The students worked hard at various projects to raise money for their trip.

A select 12 students were in the NMEA Band and Orchestra, at Omaha Westside.

At the district music contest 11 students played solos, and five students took part in the Hastings Honor Band.

The Hastings High Band received much support from the parents, school board, administration, and will be wearing new uniforms next year.

The Chamber Choir is a select group made up of 60 juniors and seniors.

Members of the choir had many performances including the Spring and Christmas concerts. They honored composor Robert Beadell in a difficult and demanding concert "Music of Beadell" in which all music was from the contemporary period.

The choir also hosted the Hastings-Grand Island Choral Clinic and Concert. Dale Grotenhuis of Dordt College worked as the Choral Clinician.

The Girls Miscellaneous Ensemble has 14 members representing all grade levels.

They sang for Choral Concerts, Community groups and participated in the District Music Contest.

The Madrigals take a break from their busy schedule to chow down and enjoy the atmosphere.

Juniors and Seniors made up the 1976-77 Concert Choir.

The choir sang a variety of music with emphasis on folk, swing, and pop music.

Julie Weber said, "I liked the kind of music we sang, and enjoyed working with the other people in the choir."

Barb Barth also expressed her feelings by saying, "It was a lot of fun. We sang neat songs."

Julie Zarobon accompanied the choir as they performed at school choral concerts plus singing engagements in the community.

Mrs. McCreary summed the year up saying, "The enthusiastic, positive attitudes, along with the talents of the choir are the ingredients that make it such a workable group."

Sophomores Offer Diversified Entertainment

The 85 members of Sophomore Choir spent a successful and memorable year singing together at several of the choral performances.

The students in Sophomore Choir highlighted the year by singing in the Christmas and Spring Concerts. They also held an informal concert in which only their parents were entertained.

Patti Eldred, a member of the choir said, "I like choir a lot. Sometimes its pretty fun, but you have to know your parts.

The choir sang a variety of music from all periods in time. "My Sweet Lady," "How the West was Won," are just a few of the songs that Renea Bunde and Renee Schwab accompanied the choir with.

Brian Breed, a student teacher from Hastings College spent two weeks directing the Sophomore Choir on his own. Some of the things he did with the students included clapping techniques, ear training, shaping vowel sounds, and sight reading different types of music.

Sophomore, Mike Hickman summed it all by saying, "Sophomore Choir has been an interesting experience."

The sopranos and altos in Concert Choir work hard in preparation for the next performance.

Do you like music and moving with the beat? If so you should have tried-out for Swing Choir.

Swing choir selected by Mrs. McCreary, made their debut at the Christmas Concert.

The 26 members were also involved in "Singing and Swinging" in the Variety Show, District Music Concert, and Spring Concert.

The Madrigals completed another year with their Annual Concert held on April 14th.

Auditions for Madrigals are held the previous Spring and 18 students were selected.

The Madrigal Choir kept a busy schedule during the year giving performances, especially around Christmas time. During most of the month of December, they traveled about giving performances at several churches, and the Holiday Inn. They also went to Palisade, Nebraska to sing for a church service. Other performances include the Variety Show, and District Music Contest.

Hollywood Hopefuls Perform in Variety Show

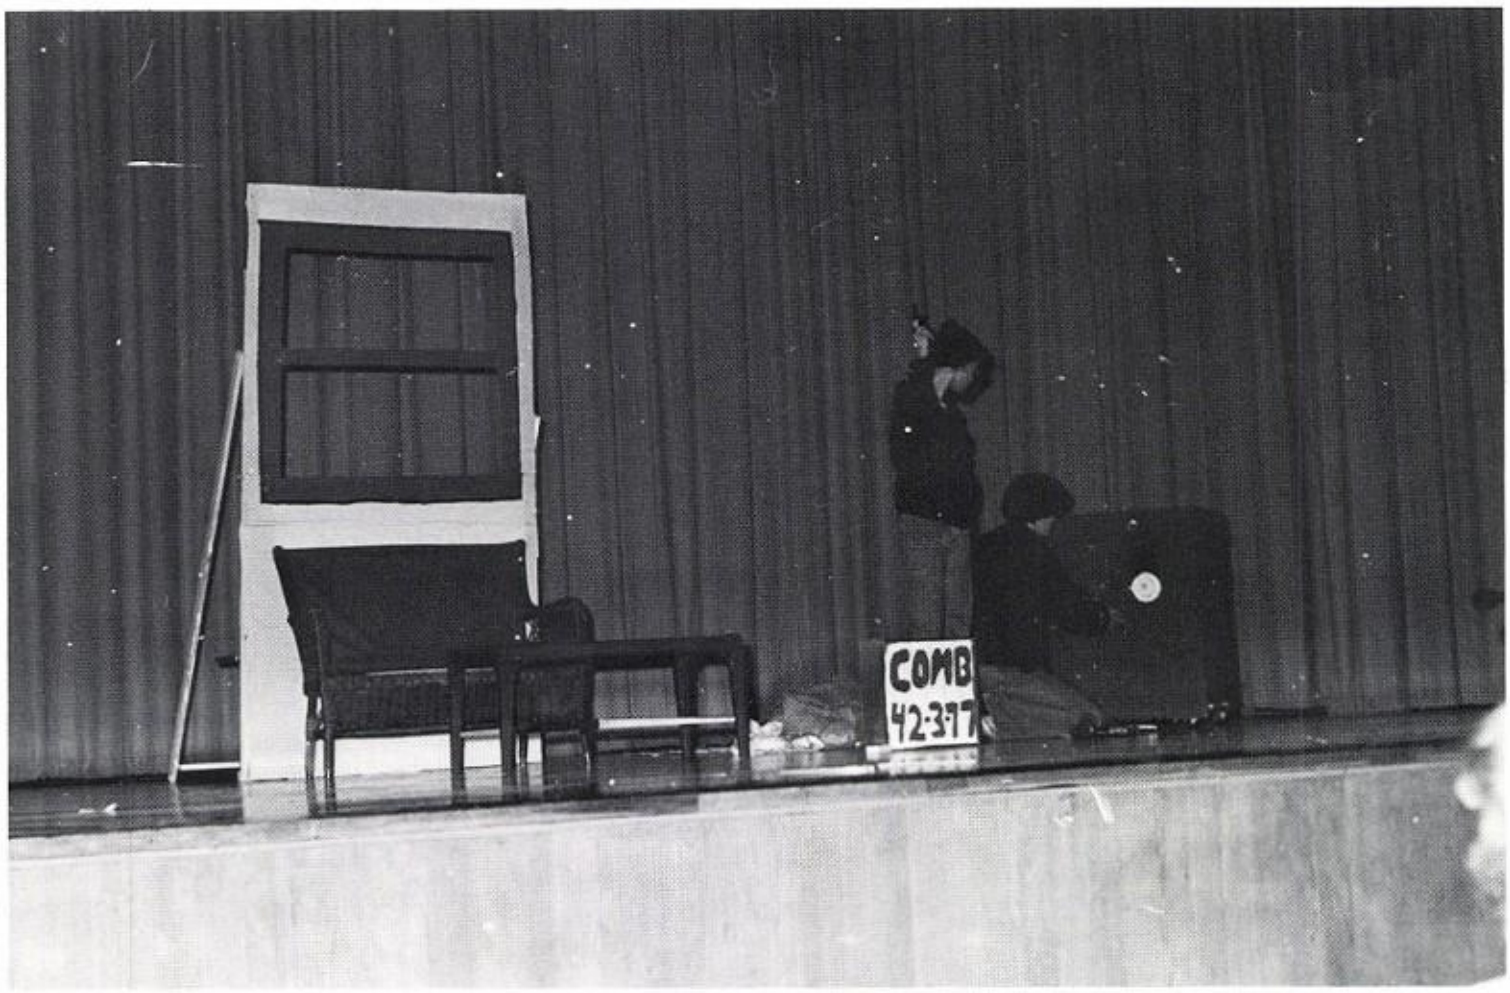
With symptoms ranging from Monty Python to McCartney, Hastings High was seized by a violent case of Entertainia on February 24 and 26. On these two days Hastings High students displayed their talents in the Bi-Annual Variety Show.

Led by a group of Monty Python enthusiasts, the acts ranged from Cindy Carl's "Elvis" to Susan Veburg, Ann Throckmorton and Eva Tivenius performing "Sonata in D Major" by Leclair.

Original compositions played a big part in the show. Julie Jacupke accompanied herself on the guitar as she sang her song," There's A Brighter World Ahead." Jon Mudder and Beth Marsh combined two original efforts in one act as Beth danced to "Modes of Melody" written by Jon. With a little twisting of words, Oscar Meyer & Company sang an unfamiliar version of a familiar song.

Eva Tivenius, Ann Throckmorton and Sue Veburg perform their trio piece, "Sonata in D Major."

Patient Dave Walker looks on as Tim Wolf prepares his anesthetic in a Monty Python skit, "The Brain Specialist."



Sophomore Ruth Norcross and Bill Payne carry out a haphazard robbery in the skit, "Great Safe Robbery."

Orchestra Undertakes Difficult New Music

"A Concert for All Seasons" could have been the theme of the 1976-1977 orchestra. The orchestra, under the guidance of second-year director Mr. Hugh, performed in the Fall Concert, the Winter Concert, and the Spring Concert.

The orchestra presented their Fall Concert in late October, performing six pieces including Carmen Suite No. 1 by Bizet, Ballet from Petite Suite written by Debussy and Hay-Up Hoe-Down by Grundman.

The group also played a few selections preceding the choral groups at the Christmas Concert.

The Spring Concert was presented by the orchestra the last week of April. The concert was a joint production of the orchestra and band. Some arrangements were performed featuring string orchestra. Senior Mary Fishel played a violin solo.

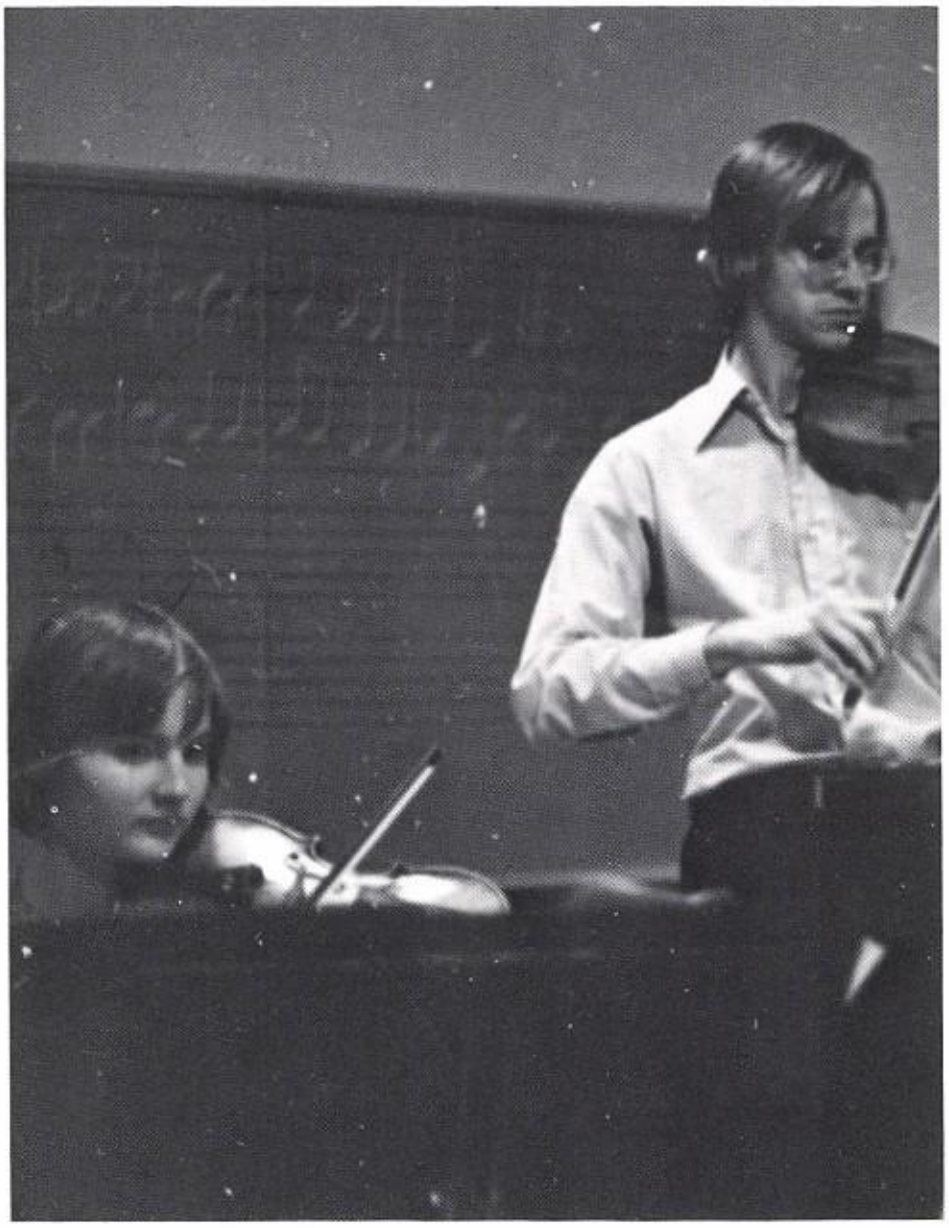
The orchestra also played at Baccalaureate in May.

Ten Hastings High students were included in the Nebraska Music Educators Association clinic orchestra. The students were chosen through individual tryout. The State Music Clinic was held in November at Omaha Westside. Seniors representing Hastings were: Terri deBacker, Mary Fishel, Miriam Eckblade, Mike Johnson, and Jill Goehring. Juniors Deb Mortensen, Ann Throckmorton, Sherm Johnson and one sophomore Sue Veburg made the trip to Omaha.

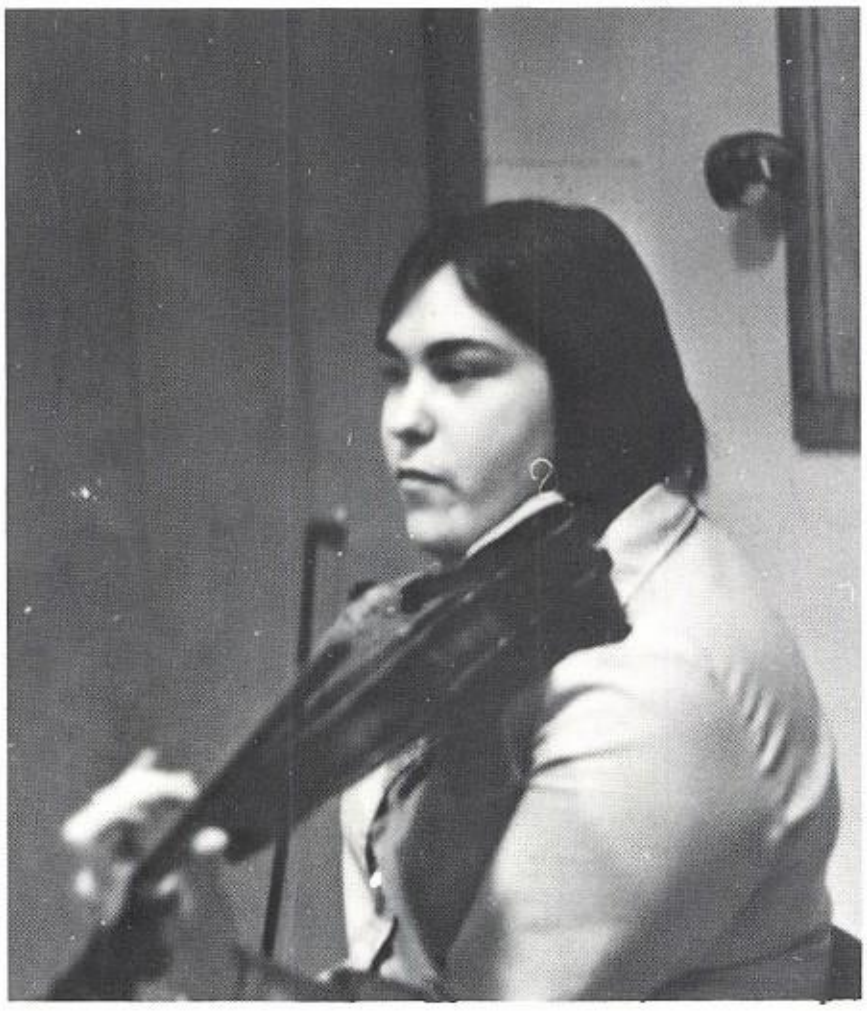
The District Music Contest was held at Hastings College in April. Musicians spent their own time to prepare solos or small ensemble numbers for the contest. The presentations were judged by professionals.

The orchestra rehearsed twice a week for eighty minutes. Sectionals for individual instruments were required for one mod a week.

Mr. Hough reflects on the year, "We worked hard on the music and I feel the students learned a lot about many different styles of music."



Mr. Hough and LeAnn Ore iron out some rough spots in an arrangement.



Mary Fishel works on her music intently, showing the dedication which has helped her become a highly accomplished violinist.

Senior instrumentalists are often instrumental in forming strange ensembles in the orchestra as Tom Bruna and Scott Carstens can attest to. Beethoven and Bach would roll in their graves at such a duet.

Eva Tivenius, musician from abroad, quietly marks her music in the library. Eva's musical talents range from piano to flute. An American Field Service Foreign Exchange student, Eva lives in Orebro, Sweden.

Tiger Netters Capture 7-7 Season Record

The debut of the 1976 girls' varsity volleyball team was heightened by the starring of seniors Lori Coulter, Kim Dunham, and Chris Heeren. These girls were filmed hard at work spiking, setting, and volleying under the direction of Coach Betty Walters. Supporting actors for the varsity team were Shelly Spilinek, Annette Jasch, Mary Houtz, Suzanne Hartmen, and Andrea McCoy. Special guest appearances were made by several juniors and sophomores on the junior varsity consisting of Kathy Smith, Christy Moorhead, Cindy McDaniel, and Lori Weber. Sophomores who had an acting role in this year's team were Jan Donahue,Jill Christensen, Sally Sneller, Laura DeJonge, Any Foote, Nancy Dimler, Becky Minnick, Connie Petzoldt, Renee Schwab, and Kathy Watson. These girls were assisted by Coach Kay Payne.

The girls started out their season by losing the first two games and followed the losses up with a resounding win over the 1975 state champions from Lincoln High. This box office winner seemed to put the Tiger netters into good spirits for they defeated Fremont, Lincoln S. E., G. I. Northwest, and G. I.

In the district playoffs, under the direction of both coaches, the varsity girls produced a win in the game against Kearney, but failed to make such a performance against the eventual state champs from Scottsbluff.

The 1976 girls' volleyball team failed to make an appearance at this year's state tournament, but despite that fact, both coaches and the players felt satisfied with the all around team effort. They ended up the season with a record of 6-6. Miss Walters and the returning players are hopeful for an experienced team and a strong season next year.

Girl Swimmers Establish Nine New Record

The 1976-1977 Girls' Swim Season was highlighted by record-breaking performances in nine events.

The team's dual meet record was marred by six losses. The individual strength was evident in the big meets. Tiger swimmers garnered 6th place at Trans-Nebraska Conference Meet, 4th at the Big Ten meet, and finished 11th out of 30 teams at the state meet.

Tiger scoring was led by Freshman Carin Holm with 105 points, followed by Senior Cindy Beach with 80.

Swim coach Cindy Irwin commented on the year, "I was quite pleased with the times this year, we didn't win a lot of meets but the girls improved their times throughout the year, which I consider important. We swam very well in state competition. Carin Holm received a second place in the 100 yd. butterfly, this is the highest a Hastings High swimmer has ever placed at State."

Carin Holm and Jocie Toon led the record-breakers with two new marks apiece. Holm broke records in the 100 yd. butterfly and 200 yd. individual medley. Toon set new marks in the 100 yd. and 200 yd. freestyle.

Seniors Cindy Beach and Chris Natvig broke records in the 60 yd. freestyle and the 500 yd. freestyle respectively.

Two new relay marks were set. Carin Holm, Jocie Toon, Kim Kohl, and Cindy Beach combined to set a new record in the 160 yd. medley relay. A new record was set in the 400 yd. freestyle by Cindy Claus, Chris Natvig, Lynda Martson, and Diane Theesen.

During the second year of girls' interscholastic basketball at Hastings High the team compiled a 2-11 record. Led by senior Lori Coulter, who had 214 points, the team compiled 443 points in regular season play.

The team's season record does not denote the caliber of play displayed by the lady Tigers. Four of the team's losses were by less than ten points. With only four returning varisty players, the team was helped by a group of talented sophomores. Sophomore Sally Sneller, Julie Fox and Jill Christensen all contributed excellent play in varsity games. Juniors Kathy Smith, Christy Moorhead, and Suzanne Hartman displayed strong playmaking abilities at guard.

One of the highlights of the season was a first-round win in the Christmas Tourney at G.I. Sophomore Julie Fox scored a lay-up in the closing seconds of the game to give Hastings a 52-51 win over Minden. The Tigers dropped the final game with Holdrege by a score of 47-28.

Tiger cager Jill Christensen commented, "The season started out slow, then realizing teamwork was important, the team pulled together in time for the Holiday Tourney and districts."

Coach Walters' Tigers traveled to McCook for district play-offs. In their first game the Tigers beat the North Platte Bulldogs 39-31, only to lose the final game to Kearney 44-38.

"Our best performances of the season came in district competition. In those games our defense was superb. I feel a lot of sophomores got valuable experience in playing in varsity games and as a team we were much stronger offensively because we were able to incorporate more offenses." said Coach Walters.

Top scorers for the Tigers were: Lori Coulter, Cristy Moorhead, Kathy Smith, Chris Heeren, Julie Fox, Suzanne Hartman, Sally Sneller, Jill Christensen, and Barb Hurt.

Strong Doubles Leads Women's Tennis

The doubles category proved to be the Tiger's strongest this year in girl's tennis competition. Junior Denise Rowe and Senior Cheryl Brown went undefeated playing in the Kearney Invitational. Brown combined with another junior, Mary Vaughan, to go undefeated at the Big 10 Meet. At the State Meet, the doubles team of Vaughan and Brown lost to the eventual state champions in the semi-finals.

Girl's Track Team Ends Season Much Improved; Send Two to State

The 1977 girls track season was filled with improvement and excitement. Mile standout Sally Sneller thrilled fans by breaking the school record four times and establishing six meet records. She placed third in the Nebraska Class A mile.

Captain Lori Coulter demonstrated leadership and strength while twice breaking her school record and placing in most meets. Lori nabbed eighth place in the Nebraska Class A shotput and discus.

The mile relay team of Mary Houtz, Lori Coulter, Kathy Smith, and Sally Sneller ranked high in almost every meet. A meritorious performance was also turned in by the 440 relay team of Leslie Bigley, Vicki Sinner, Pam Jones and Missy McDaniel when they captured sixth place in the district meet.

Overall, Coaches Randy Lawson and Ann Henry were quite pleased with the way the season finished. They are counting on several returning tracksters for the 1978 season.

Tiger Footballers Post Disappointing Year

The grid season in 76 was a promising one with many starters and rookies to the varsity scene looking strong in preseason. They just never molded into the football machine everyone expected.

Injuries hindered the Tigers greatly this year in their quest for Big Ten superiority. Knee injuries were the main ones to befall our gridders, either straining or tearing ligaments.

If injuries weren't enough the Tigers seemed to be jinxed in the fourth quarter, probably the most memorable game for Hastings was the heartbreaking loss in the final minutes to eventual State Champion Lincoln Southeast. Hastings had things well in hand until the final ten minutes when in a seven minute span Southeast scored three times to overtake Hastings and claim the contest.

Queen's Night had to be the most heartbreaking loss of the year for the Tigers as they led Lincoln Northeast at times by as much as seventeen points, but the Tiger defense couldn't hold back the potent Rocket attack, but neither could the Lincoln team stop Hastings' offense. So in the end it was a battle between offenses with Northeast coming up victor in a hard fought game, 31-29.

The Tigers also won all of their games in fourth quarter surges against Kearney and Norfolk, Scott Christensen came out the hero of the Kearney game as he kicked the winning field goal in the final seconds for Hasting's first win of the season. The Tiger team was the hero of the Norfolk game as they all came through in the final quarter when Norfolk had a commanding lead of 14-0 and Hastings came back to win 16-14 with fine defensive play and outstanding offensive line play to move the ball down the field for the winning touchdowns.

The most disappointing performance by the Tigers' this year had to have been the game in which they played Grand Island. The offense looked like they were trying to march through one foot of mud for a whole half until in the second half they got on some dry ground and began moving. The usually staunch Tiger defense could not contain the explosive Islander offense as they scored at will against them. The final score was a disappointment, but not the spirit which carried the Tigers through their disappointing season leaving next year's Seniors something to build and improve on.

Harriers Experienced Disappointing Season

This year the cross country team experienced a disappointing season as was stated by Coach Lawson, "We had some key injuries off and on through the season and that hurt us." He was very pleased with the effort that his young team displayed.

Stew Holm was cited for being the most consistant runner of the squad, while Bob Reichert, John Hansen, Phil Hynes, and Mark Destache were commended for their efforts. Lawson added although experiencing the down season he is looking forward to the upcoming year with 12 out of 17 members returning.

Cagers Terminate Successful Year at State

To term our cagers' season as anything less than successful would be an understatement. Their 13-8 record, their winning effort at District, and trip to State drew recognition as a tremendous team effort. Starting out the season beating Lincoln High, one highly-rated team before the season started and one of the State finalists, people knew that Hastings was back again to make a run for Big Ten Honors, Trans-Nebraska, and the chase for State Champion. Coach Larry Ribble molded together one of the finest teams that Hastings has put on the court.

The main obstacle the Tigers confronted this year had to have been Grand Island. The Tigers met up with the Islanders three times this year and lost all of the confrontations.

Hastings was led all year by the slick floor leader, Senior Rick Rader an the rebounding strength of Senior forward Steve Theesen. Both players made All East Big Ten along with Junior Zac Lowe. Rader and Theesen also made the honorable mention list for Class-A All State.

The Tigers were involved in a new District this year consisting of teams from North platte, Kearney, McCook, Scottsbluff, and Alliance. The main opposition they encountered for a return trip to State was Kearney whom the Tigers had met earlier in the season and beaten in the final seconds by a pair of free throws from Rick Rader. They had Kearney down by a few points before the Bearcats fought back. The Tigers then took charge of the game and went on to win District by beating McCook for the privilege of the trip to State.

Hastings was matched against Papillion in the early game at the Sports Complex to start the Class A tournament. Steve Theesen and Rick Rader came up with a big game for the Tigers. However, Papillion won by ten points. The finals were played by the seventh and eighth seeded with the eighth seeded team winning the state title.

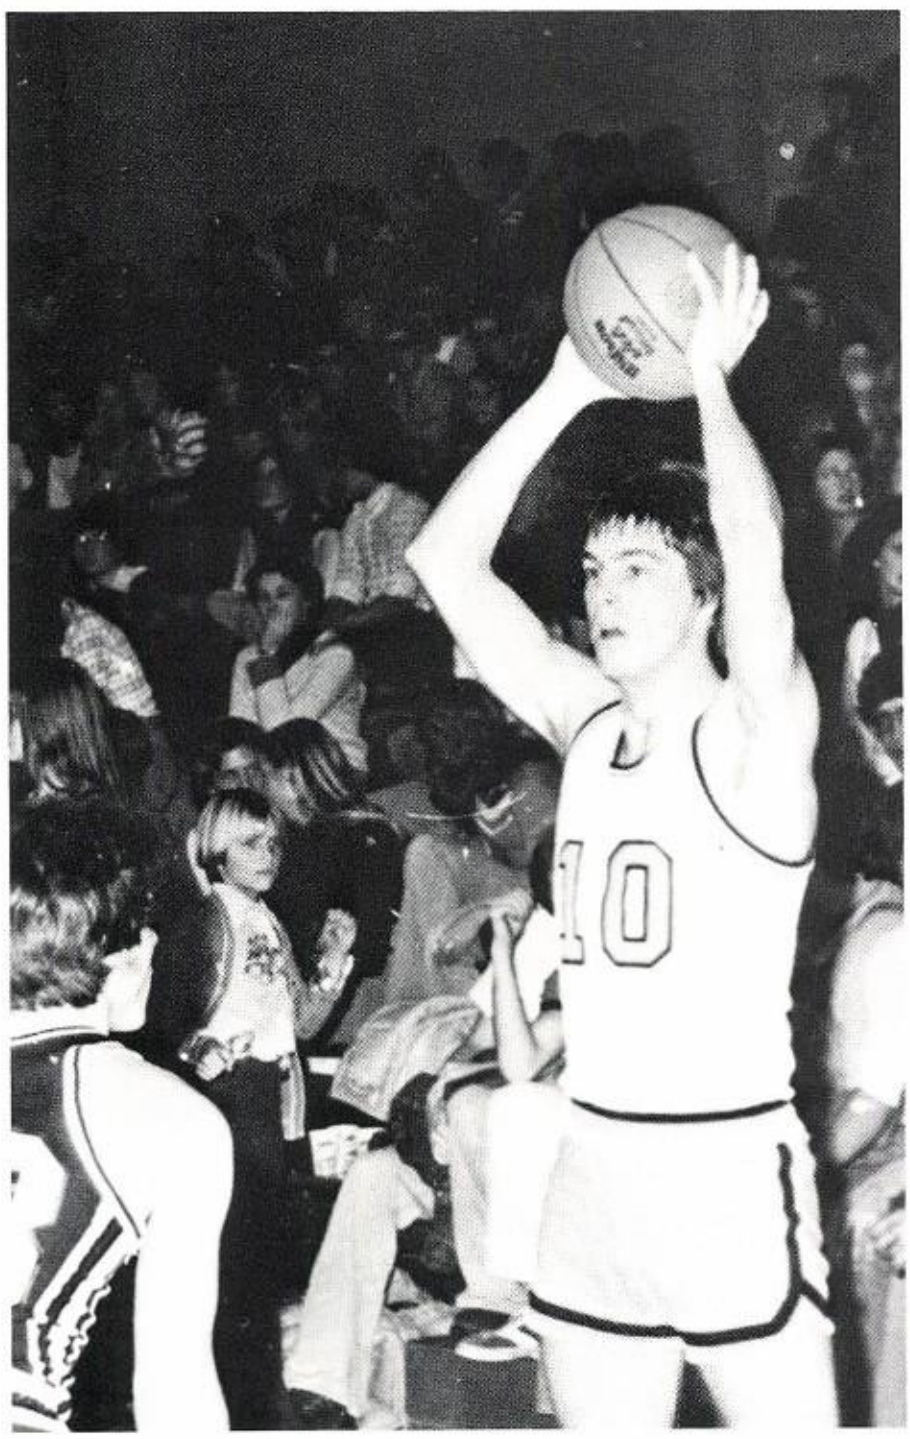
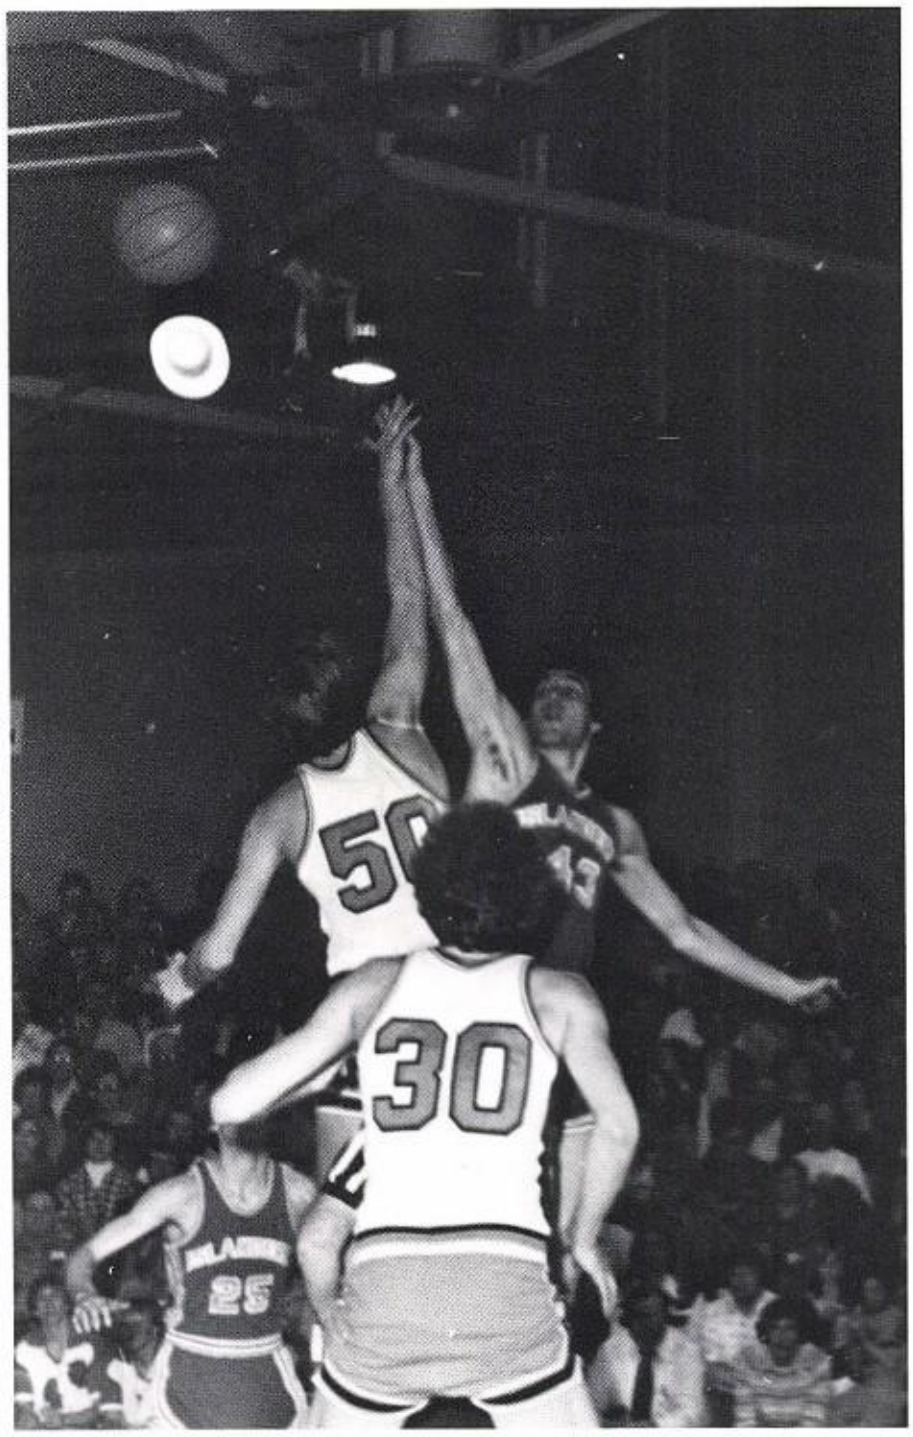
Coach Ribble gathers the team together at half court for his final pep talk before the big game against Grand Island's Islanders.



Senior guard Rick Rader surveys the opponents defense before calling out the next play for the Tigers to run.

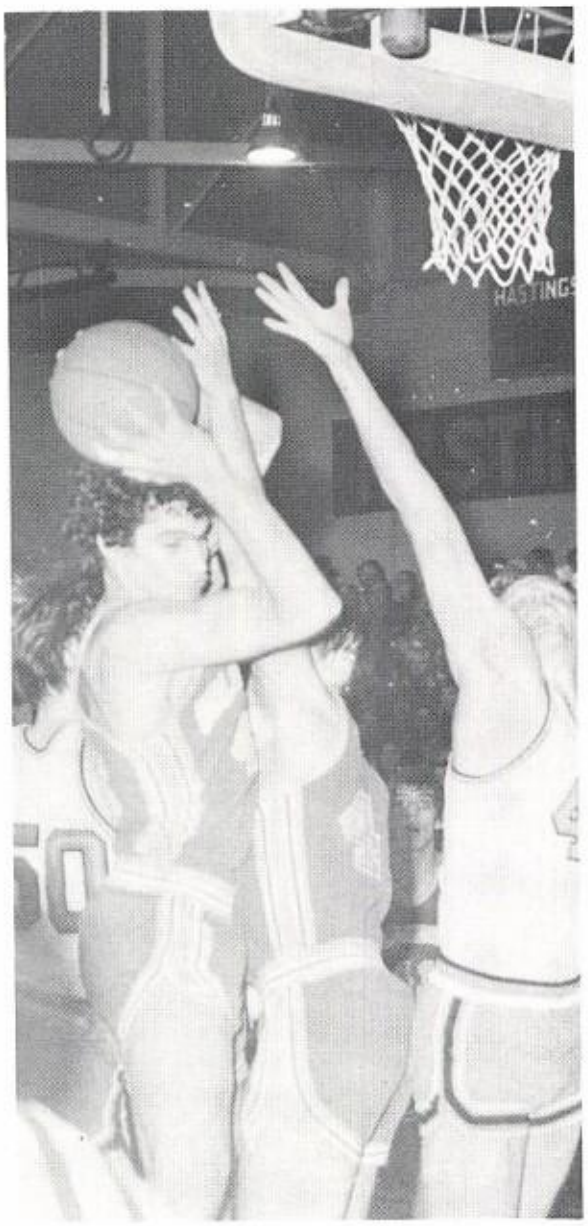


Forward Steve Theesen starts the game of the archrivals with the winning of the opening tipoff against Grand Island.

Doug Harms blocks out all intereference to let Rick Rader set up and get off a clear shot.

Varsity guards Zac Lowe #40 and Rick Rader #10 fight with the Beatrice Orangemen for some positioning under the boards while waiting for the basketball to come down.

Forward Steve Theesen skys up and over the Islander while going in for an important layup.



Forwards Doug Harms #42 and Steve Theesen #50 battle with the two Islanders to win command of the important boards.

Junior Varsity Gains Valuable Experience

JUNIOR VARSITY: Back Row L To R-S. Christensen, J. Steinke, E. Kleiber, D. Goings, B. Johnson, J. Marsh, R. Krull, Coach D. Nelson. Front Row L To R-D. Clinton, D. Kroeger, R. Woodward, S. McDonald, J. Aden, B. Osborne.

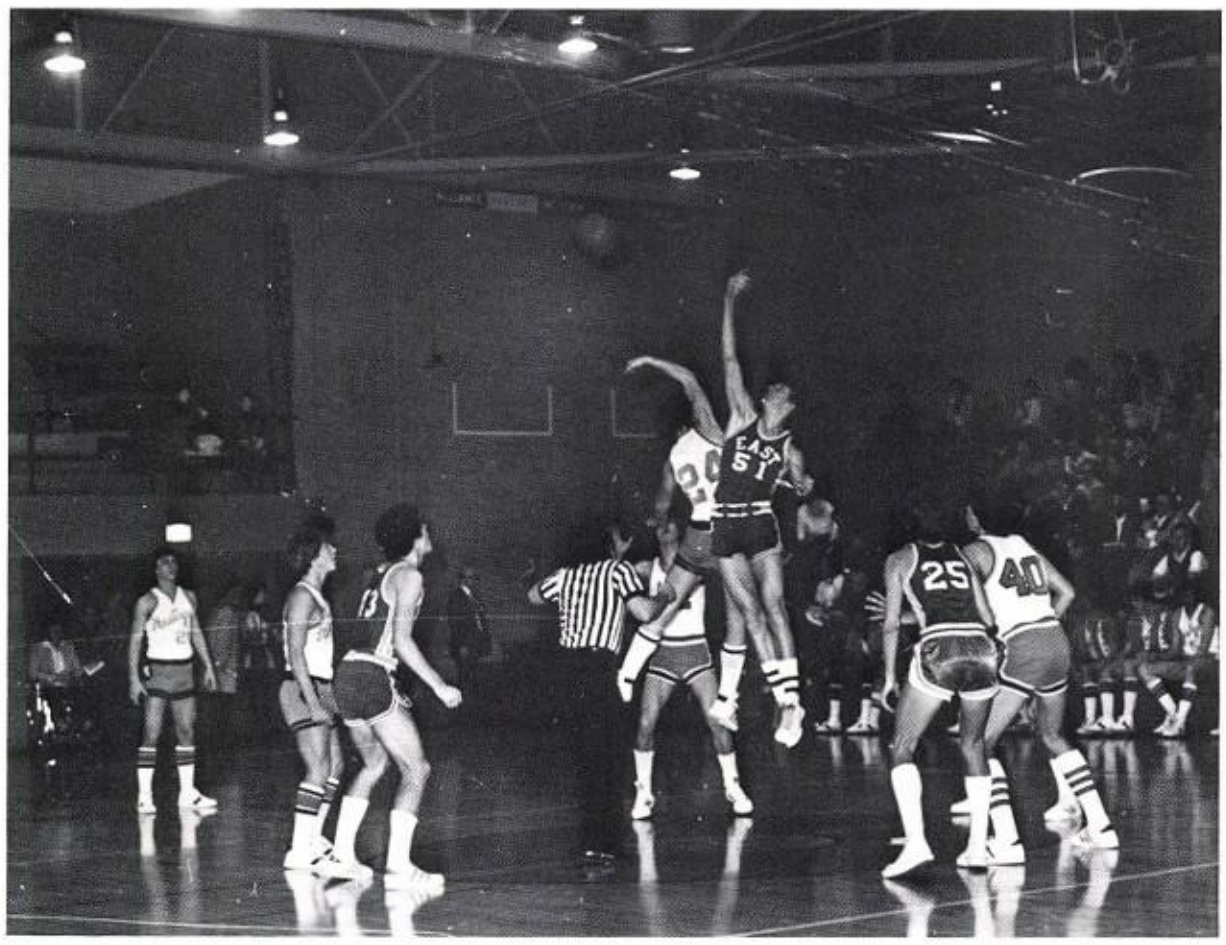
Coach Don Nelson's Junior Varsity squad made up for their lack in heighth by their hard work and desire to win. The long practices and hard scrimmages molded a fast but deliberate offense which proved to score a lot of points.

Brad Osborne was the team leader on the floor as he led the potent offense in scoring and play making.

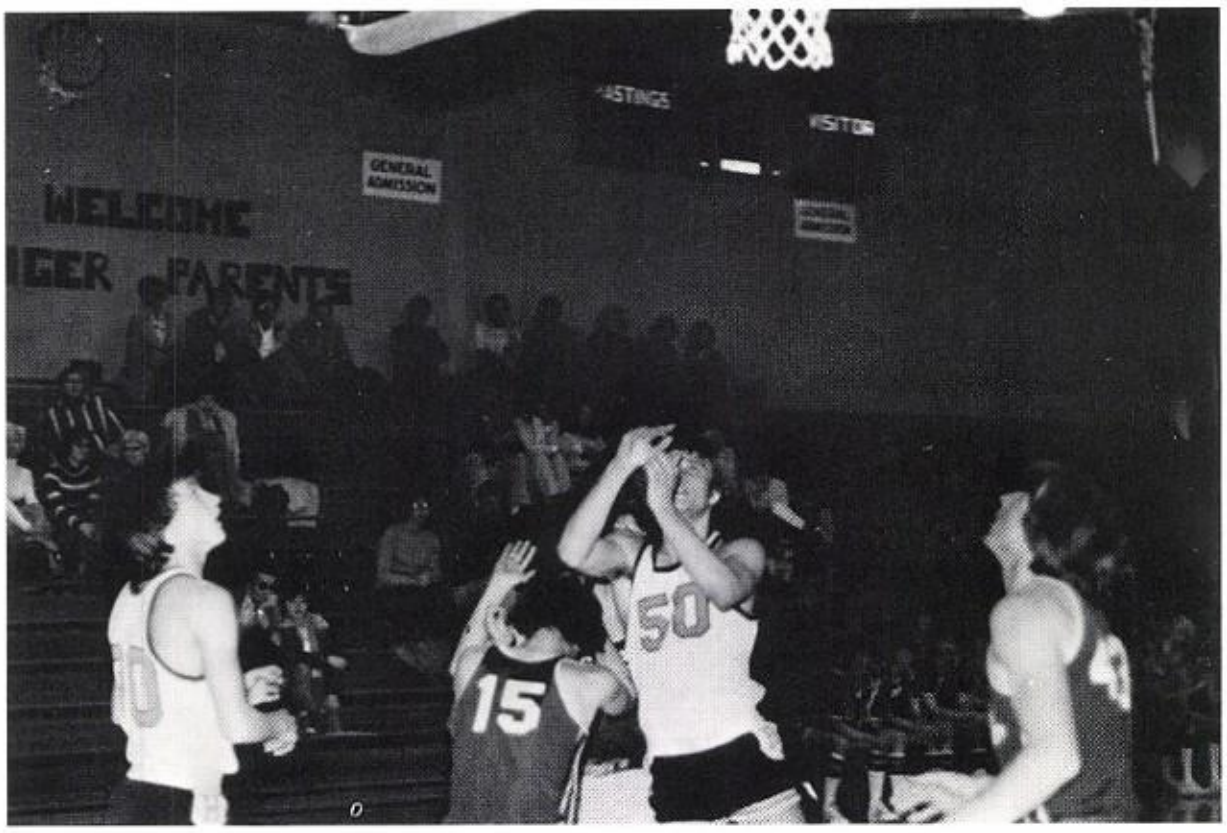
Bret Johnson, Jeff Steinke, Robb Woodward, and Sherm Johnson made up the rest of the starting five for Coach Nelson's team.

Scott Christensen, Dean Goings, Rick Krull, Jeff Marsh, and Darryl Clinton made up the bulk of the reserves that came off the bunch to give the starters a reak and show what they could do.

The experience gained this year will help the varsity team to another trip to State next year.



Bret Johnson goes up for the opening tip-off against Lincoln East at the final home game.



Forward Scott Harris goes through the Islanders for the layup as Mike Hinrichs looks on.

Coach Congrove's squad started the season slowly, losing their first four games before getting on the right track and ended the season with a 6-6 record.

After winning their first game they dropped their next before catching fire and winning five out of their last six games.

Scott Harris was the team leader as he led in his defensive skills and he was the leading rebounder. Monte Engebritson and Jeff Kister helped the sophomore Cubs to their .500 season.

Players who saw considerable action were Shane Surface, Shawn Mullen, Rod Rader, Mike Bohlen, Steve Willy, Ray Brown, and Mike Hinrichs. The experience they gathered should help to build strong teams in the years to come at HHS.

With twelve varsity members the Tigers Tankers swam to a sixth place finish in the state meet. Coach Kehoe stated, "This team is better than their record. We've had some exceptional performances this year." The Tigers revenged their season losses at state except for Lincoln East and Lincoln Southeast.

Three year lettermen were Jeff Thompson and Eric Marsh, while Stu Holm, Tom Johnson, John Kvasnicka have lettered for their second time and Mark Destache earned his first.

Lettermen for the Linksters were Tom Johnson, Jeff Hartman, Chris Johnson, John Wilson, Steve Willy and Terry Meyerhoeffer. Other squad members were Dave Johnson, Mark Theil, Mike Hinrichs, Craig Foote, Tom Frank and Steve Gass.

Spirit was High, Thanks to the Cheerleaders

The movie "Hello Dolly" depicts the lively and high spirited 1976-77 cheerleaders. There was 4 groups of girls, as there have been in the past. The groups were the basketball, wrestling and football cheerleaders. Also the sophomore yell leaders cheered. The football cheerleaders, along with cheering at the football games, cheered at the girls basketball games. The basketball cheerleaders lead cheers for the girls volleyball games as well as the boys basketball games. The wrestling cheerleaders cheered only for their games. The yell leaders cheered for all sophomore games.

These girls have done alot to help our school. They've come to school at 7:30 in the morning many times to practice for the games. They stayed after school to decorate the halls with colorful posters to add spirit. They took a small portion of their allowance to give a few goodies to one of the team members and to decorate the outside and sometimes the inside of his locker.

When cheerleader Barb Beck was asked if staying after school to decorate was worth it, she answered, "Yes, a few of the senior girls may even miss not doing it next year".

Wrestling cheerleaders, Top To Bottom: Pam Edwards, Bonny Berk, Shelly Spilnek and Kim Kohl.

Many of the pictures shown in the newspaper during the year and in this yearbook were made possible by the Photo Staff. They worked long hours in the darkroom and took time out to capture the year in pictures.

The movie theme portrayed in this year's yearbook took many class periods and extra time by the staff in order to have it before school started. The partnership of the two editors, Cathy Norman and Rick Minnick, supervized the staff members making sure they did their work.

The Tiger Cub, made up of 13 members, produced 15 issues of the bi-monthly paper during the school year. Receiving this years' Outstanding Staff Member award was Curt Clowe. Thanks to the efforts of these three staffs the 76-77 school year was informative and entertaining.

A Puzzling Yet Creative Year for Art Club

Just as movies are created so is Art. Artists interpret what they see and feel on canvas with their brushes or by the molding of clay with their hands. This year's Art Club sponsor was Mrs. LaDell Stonecipher. The club had a very active year. As a group they planned and built a ceramic 3-D puzzle sculpture. They also organized a High School Art Show at the Home Decorating Gallery.

The group had no set meeting times but usually met on Wednesday or Thursday.

Denise summed her reaction in four short words, "It is really marvelous."

Ushers and this year's usherettes helped out at the many HHS functions. The usher and usherette corp is open only to graduating seniors. The group is chosen by Mr. Louie Pratters and Mr. Ron Kort, sponsors.

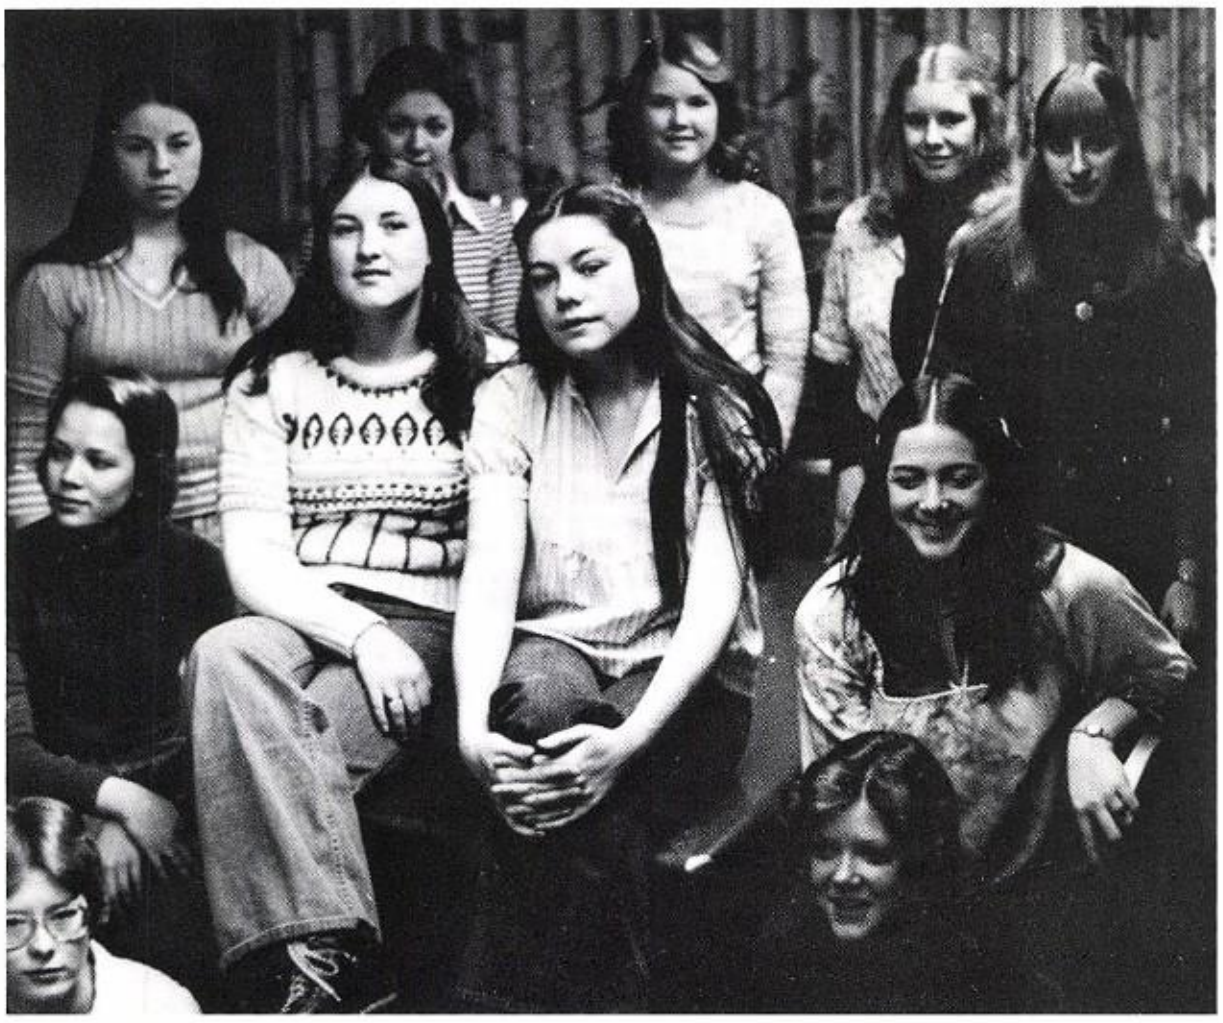
Media, Office Aids - Two Important Groups



Office Aids: Left To Right - J. Langdon, R. Hoggat, S. Taylor, S. Spurgeon, J. Amack, 2nd Row - C. Natvig, C. Clus, D. Dragoo, V. Dye. Front Row - G. Leech, C. Early.

HHS Productions could not be made possible if not for the efforts of many groups from behind the scenes. Two of these groups are the office aids who help with study halls, and assist the principals in the office, and Media, the organization everyone yells for when their projector breaks down.

Both organizations have been important in the HHS picture for several years. Media's sponser and teacher is Mr. Dale Clark. He assists his students in tasks ranging from operating a movie projector to repairing one.

Office aids are a major part of the work that goes on in the office. Sophomore, junior and senior girls offer their secretarial talents to the principals in assisting with the busy task of taking role for study centers, and calculating absences, along with some paper work.

So included in the acknowledgements for the 1976-77 production are the office aids and media, two of the many helpful groups at HHS.

MEDIA: Back Row - Left To Right - T. Davis C. Dickenson, H. Kohtz, D, Shuda. Seated: M. McBride, R. Miller, M. Scribner. K. Perry, P. Weber, J. Whitaker, L. Karabel. Seated On Floor - L. Bigley

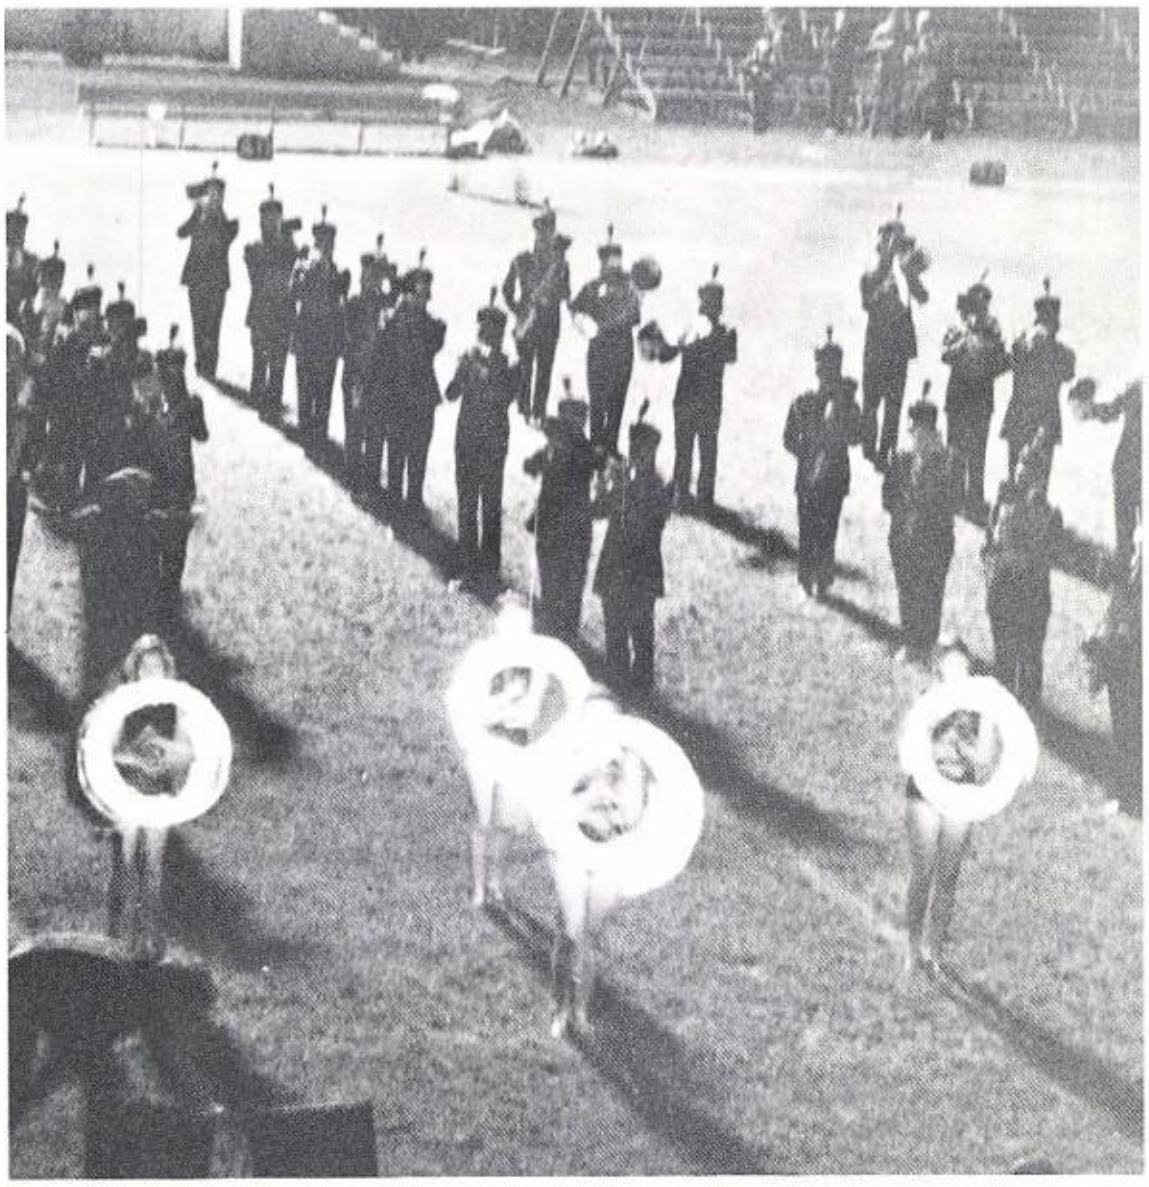
Bowling Club "Strikes" Down Another Year

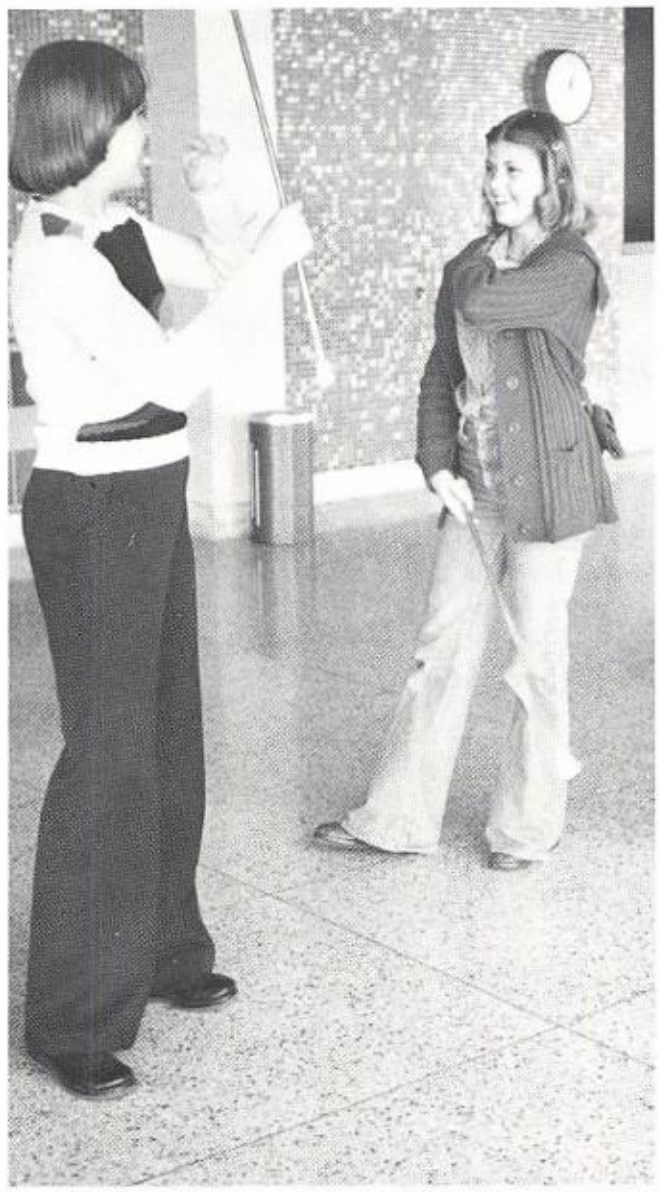
At the completion of this year's 1976-77 school year, the Bowling Club successfully finished their 20th year.

The Bowling Club finally got under way in December due to the development of a new bowling alley. Meetings were held every Monday after school at 3:30 at the alley. With Mr. Glen Marshall acting as sponsor and supervisor, the club composed of 20 members earned awards such as high individual game and tournaments.

These four bowling members check on the score pad to see who's ahead before proceeding.



The H.H.S. Majorettes play with fire in hopes of sparking a 1976-77 Tiger victory.



Senior Marcia Akins says, "do it this way."

HHS Majorettes Twirl Their Way to Fame

The majorettes complemented the HHS scene this year as they provided talented and imaginative routines for football and basketball fans.

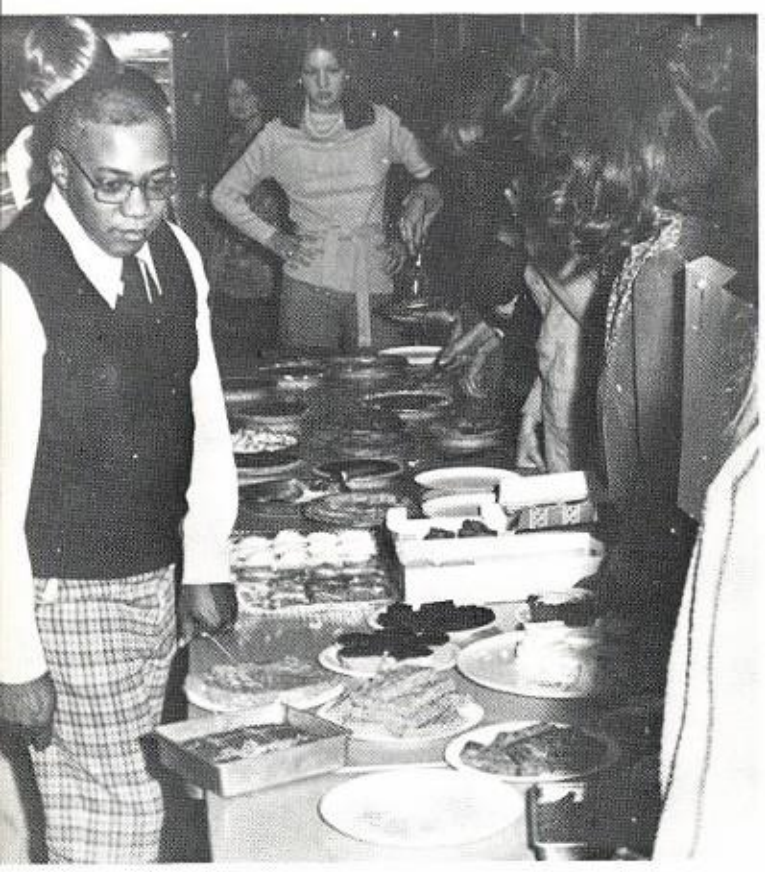
During the football and basketball halftimes the majorettes performed to many selected tunes with their straight batons and hoop and fire batons as well.

Majorettes Chris Knoedler, Cherri Lorrain, Marcia Akins, and Captain Julie Weber marched along side the band in the Harvest of Harmony competition and parade and in the Melody Round Up parade.

Some of the tunes performed to by the majorettes were "Here, There, and Everywhere", "TSOP", "Georgie Girl", and "Feelings". Music for all the performances was provided by the pep band under the direction of Mr. Johnson.

The 1976-77 HHS Majorettes: Left To Right-M. Akins, C. Lorraine, C. Knoedler, J. Weber.

Flamingos Work Towards Outstanding Year



Mr. Pratters looks over the vast selection of pies at the Flamingo's annual pie sale.

Which season is your favorite - Winter, Spring, Summer or Fall? If you came to the 1977 Flamingo show you would have enjoyed them all. "A Song For Every Season," was the theme for this year's Flamingo show with many delightful acts to fit each season.

"Winter" was expressed with the snow escapades of four junior snowmen and four seniors who made the audience visualize an Aspen winter.

Sophomores and Juniors showered the crowd with "Spring" raindrops. With acts like "Pieces of April" and "Raindrops Keep Falling on My Head," an aroma of Spring had to be present in the air.

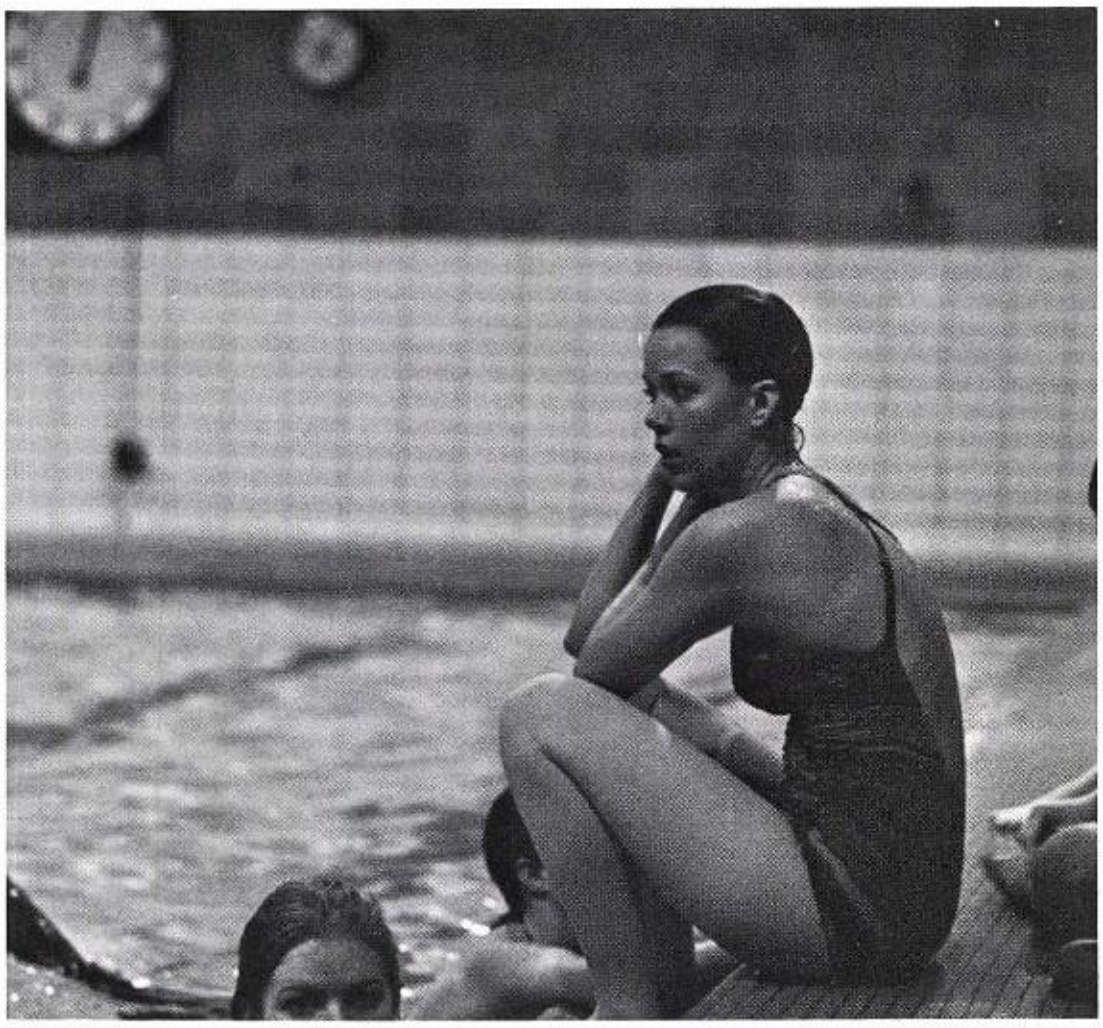
"Summer" days brought crazy ways and lots of clowning around. The routine was created by Senior Soloist Lauri McElhinney. Lauri, selected by her fellow Flamingo's portrayed a tired clown out for his "Morning Swim."

With all the effects of "Fall" the Seniors took everyone on a "Midnight Express" through the seas of autumn. These were just a few of the highlights of the '77 show.

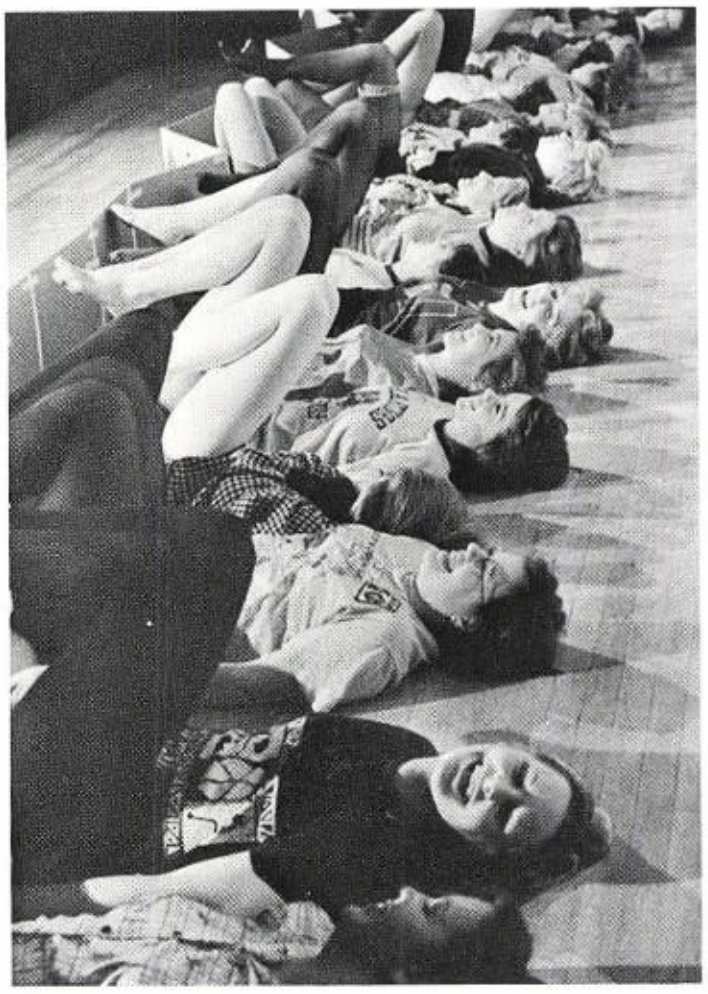
Supervising Flamingos was Mrs. Carol Lewis, sponsor, and Preciding over the group was Sue Riggins, President; Holly Mudd, Vice-President; and Bev Reichert, Secretary-Treasurer.

In order for the Flamingo show to be presented they have two money making projects a year. A pie sale early in the year and another project near the close of the school year. Any money received from the show or projects is used for a Flamingo dinner at the end of the year.

Flamingos: Back Row, Left To Right- S. Riggins, K. Allen, J. Lake, Mrs. Lewis; sponser, H. Mudd, P. Edwards, L. Lierman, K. Cambridge, B. McCrady, S. Obert, A. Fitz, Second Row - S. Bayles, K. Sulley, C. Natvig, S. Hofferber, B. Reichert, A. Epp, S. Ochsner, M. Coulter, L. McElhinney, S. Simoneite, S. Rainforth, First Row- B. Beck, A. Foote, D. O'Rorke, B. Minnick.

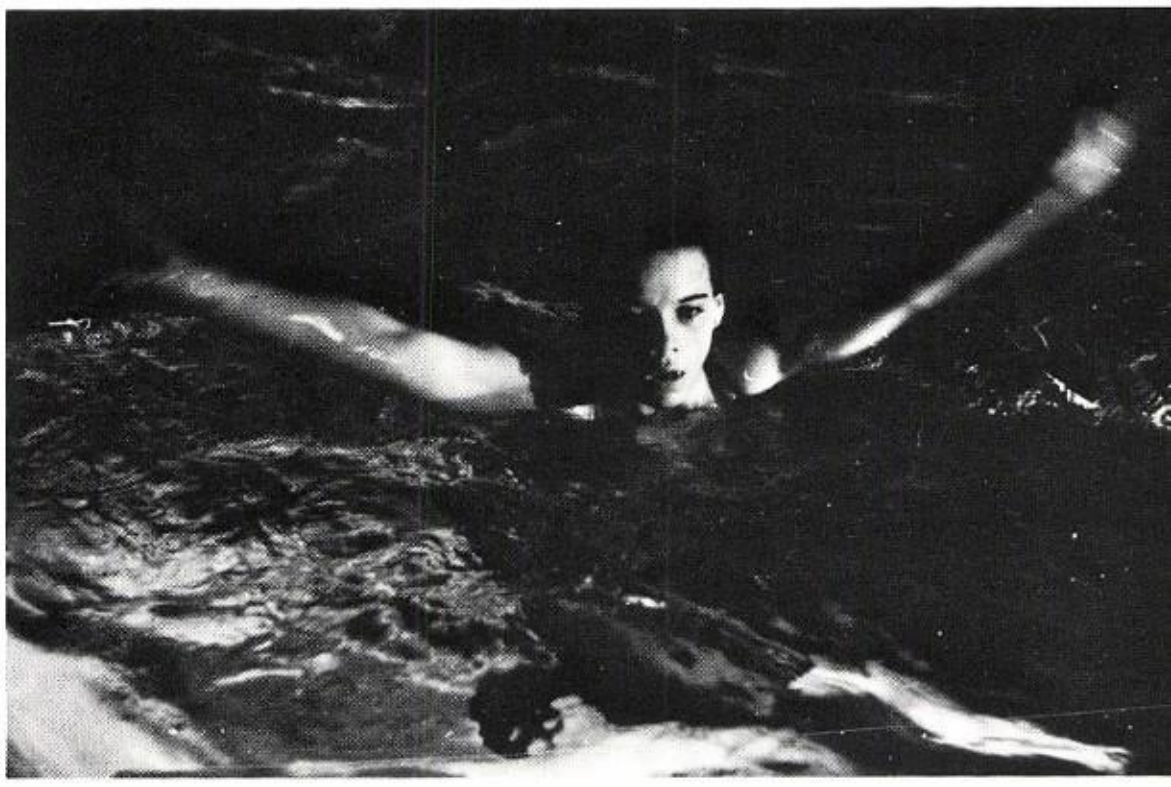


Chris Natvig soon learns that you can't take a break without concentrating, too.



These Flamingo beauties don't look too worried before their debut at the 1976-77 Variety Show.

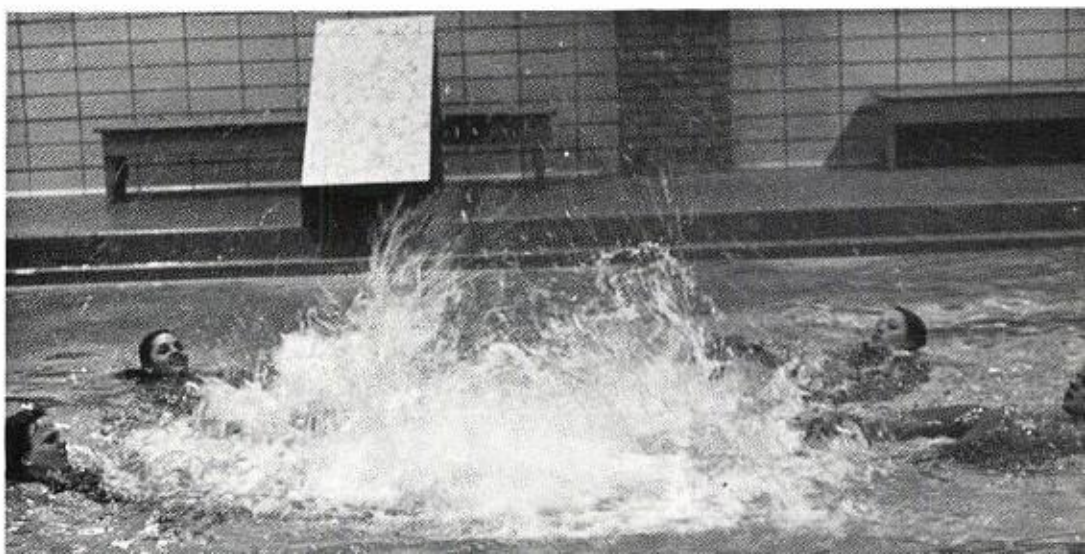
Senior Soloist Lauri McElhinney gets ready to take a swim.



"Spring Fever," sophomore act, has Deb O'Rorke working hard in her act.

Holly Mudd performs her ballet stunt in "Aspen" before sliding in.

"A Submarine Fantasma" proves to be a lot of kicks for these girls.



TIGERETTES: Left To Right-L. Selko, B. Hurt, D. Dragoo, K. Allen, S. Finningsmier, C. Aylward, C. Norman, J. Stickles, S. Riggins, J. Lake. Sixth Row-L. Weiss, K. Cambridge, J. Goehring, S. 1976-77 Tigerette Captains: Left To Right-Pam Burgess, Captain; Chris Jacobsen, Co-Captain; Karla Zaback, Junior Co-Captain.

Jill Goehring and Lisa Lierman display their emotions.

The 76-77 Tigerettes Provide Entertainment

"Tigerettes take the floor." Many heard that line as the 1976-77 Tigerettes started their halftime routine for the entertainment during the home basketball games.

Besides marching to the drum beat and dancing to the pep band playing the tunes, the Tigerettes had many other activities to contribute to the Tigerette organization and to school functions. The Tigerettes sold programs at the home games and provided a courtesy coat check at home basketball games and also escorted parents of the football and basketball players during their respective seasons at the annual Parents' Night.

With tryouts in the spring of each school year, a group consisting of 30 girls is selected to represent their school as a Tigerette. From that point on it's practice getting ready for Harvest of Harmony parade and other activities. With a Captain and helpers chosen, this year's 1976-77 leaders were Pam Burgess, Captain, Chris Jacobsen, Co-Captain, Karla Zaback, Jr. Co-Captain, and Mrs. Hinerman, Sponsor.

During halftime of one of the many varsity basketball games, the Tigerettes strut their stuff on the floor.

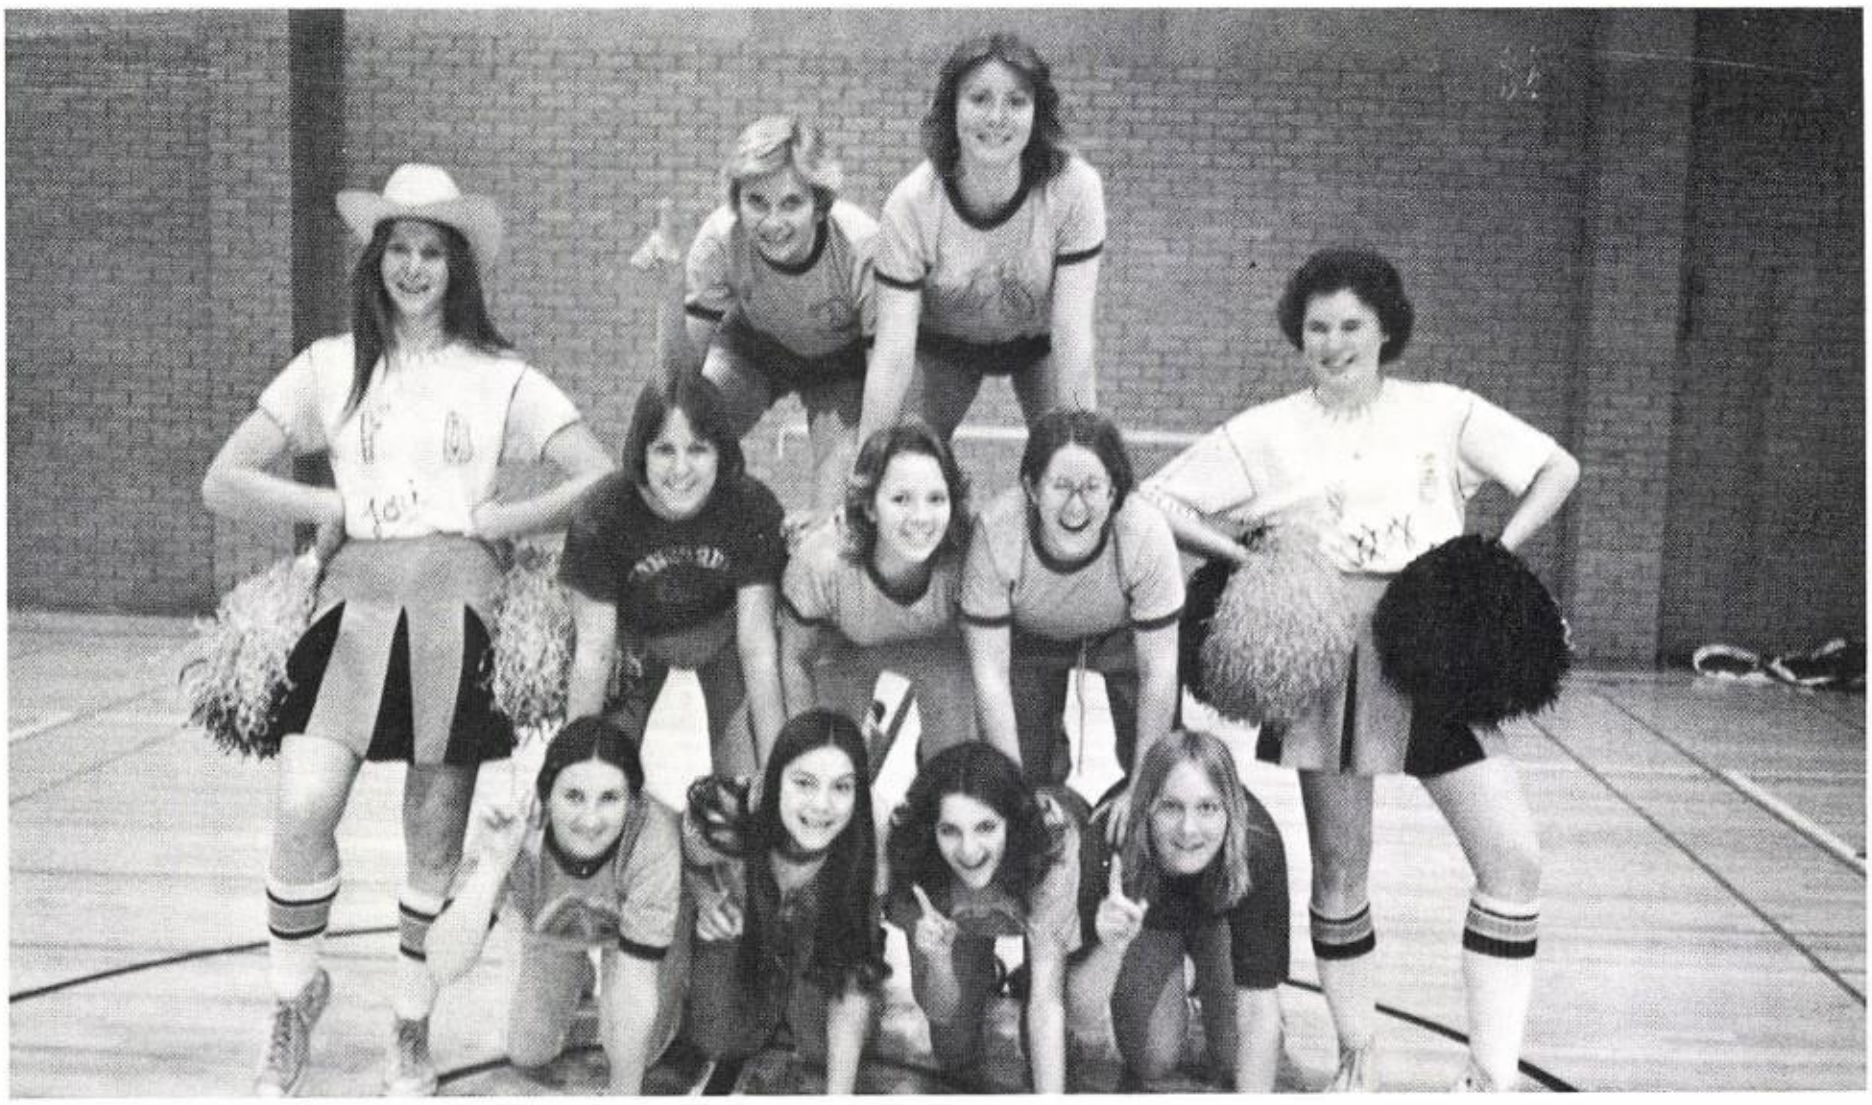
Senior Flamin' Babies Capture 76-77 Title

Girls intramural basketball had an exciting and competitive season topped with a victorious all Senior team, "Flamin Babies."

Cindy Claus was the honored captain and Cheryl Brown led their team in scoring, rebounding and defensive efforts.

The Flamin' Babies played tough competition against Charlie's Angels and The Fonzarellis, and finally the Cobs to win the championship and hold the Girls' Intramural Title. At the final game of the season, Cathy Norman and Lori Coulter provided halftime entertainment and cheered throughout the game. Their spirited efforts helped to pull the Flamin' Babies' Senior girls through a victory. Miss Irwin was pleased with the turnout of girls wanting to participate, and the enthusiasm of everyone. "It was nice to win the title in our final year," said Karen Sulley.

Ra-ra-ra-sis-a-bom-ba, Cathy Norman and Lori Coulter lead their team to the championship.

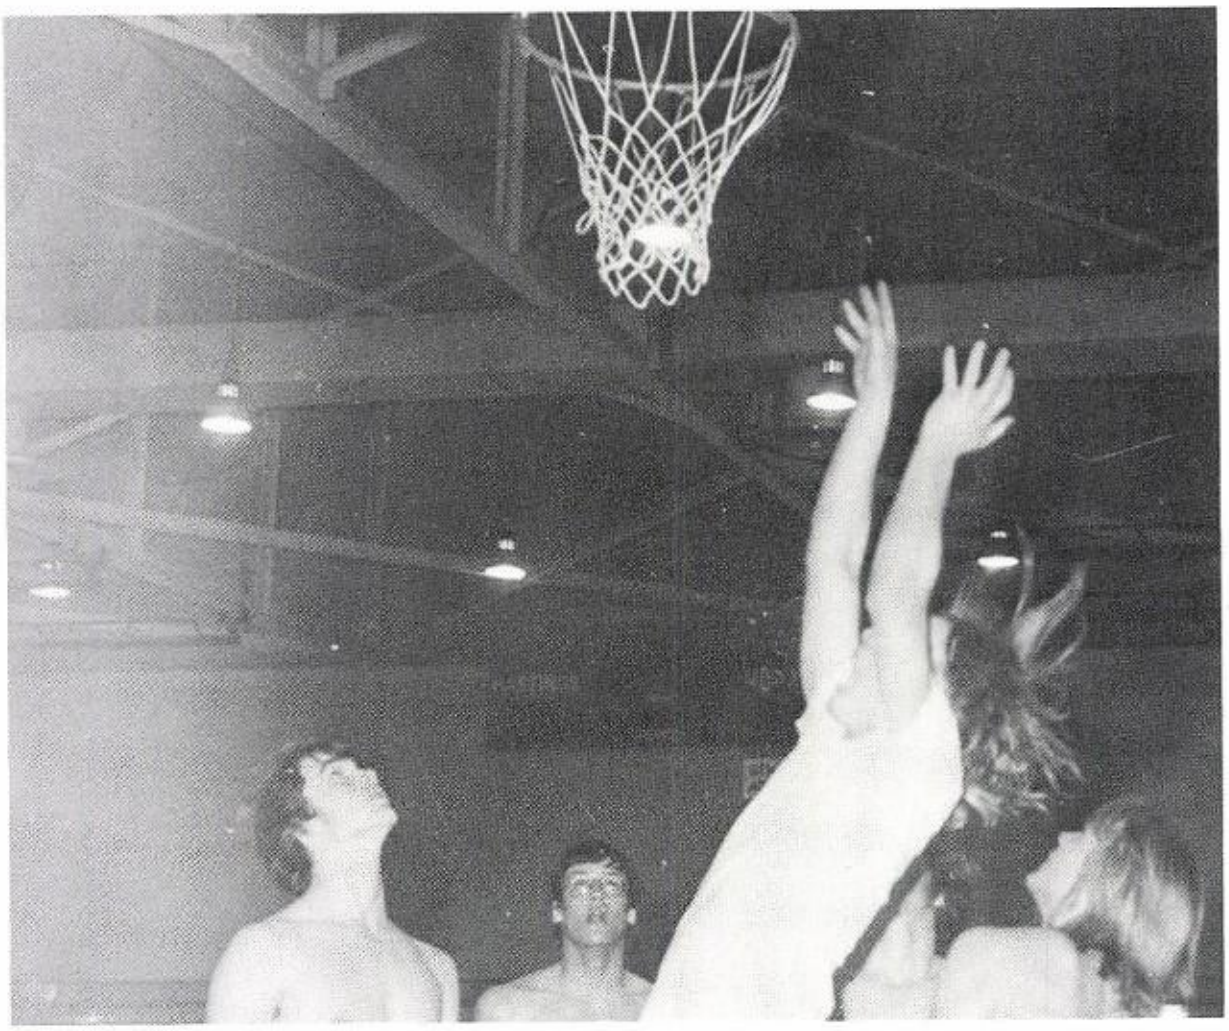


This years girls' Intramural Champions were the Flamin' Babies; Top Row L To R-C. Jacobsen, J. Lake. Middle Row-L. Coulter, M. Akins, C. Natvig, P. Burgess, C. Norman. Front Row-C. Claus, D. Dragoo, K. Sulley, C. Brown.

This year's Intramural Leagues were dominated by the National League teams as the teams in that League tore each other apart to see who could play the victor of the American League.

The final game of the year in the National League between the team captained by Mike Harris and the eventual league champs, the Homegrowns, was the climax of a hard fought season for the National League teams, as the Little Franks waltzed to the American League Championship.

The final game was anticlimatic to most as the Homegrowns rolled over the Franks with ease cutting off their fast break attack and countering back with their own attack to win in the final game of the 76-77 Intramural Season.



One of the Homegrown team members, Rick Minnick, goes up for a shot.

HHS Proudly Presents Time Out for Ginger

TIME OUT FOR GINGER was presented on the evenings of November 12 and 13. Try-outs were open to anyone — sophomores through seniors. The play was supported by Kosmet Klub, International Thespian Troupe 155 and HHS theatre organizations.

Taking place in the carefree '50's, the play centers on Ginger, played by Laura Brommer. Ginger tries to do her "own thing" playing football, and succeeds.

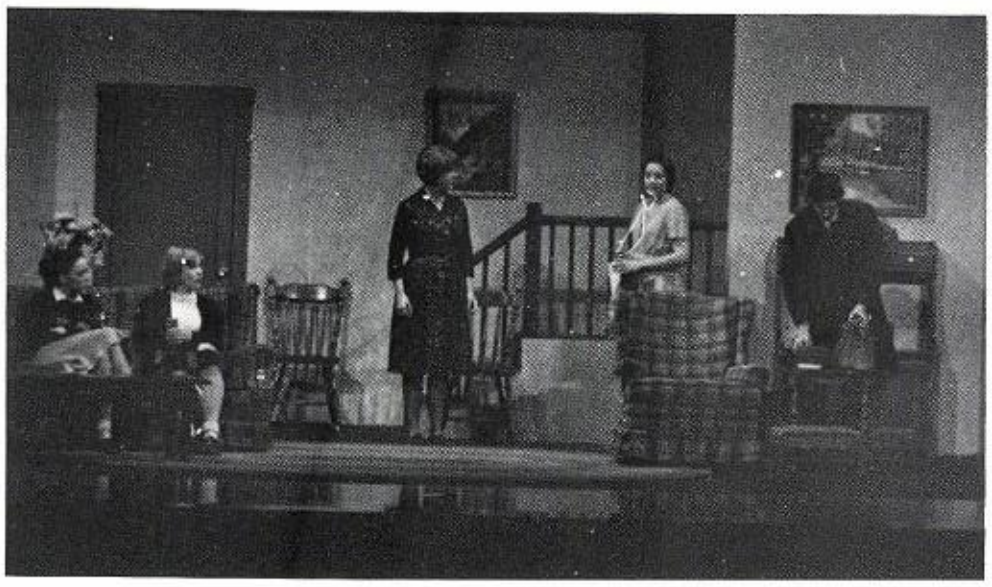
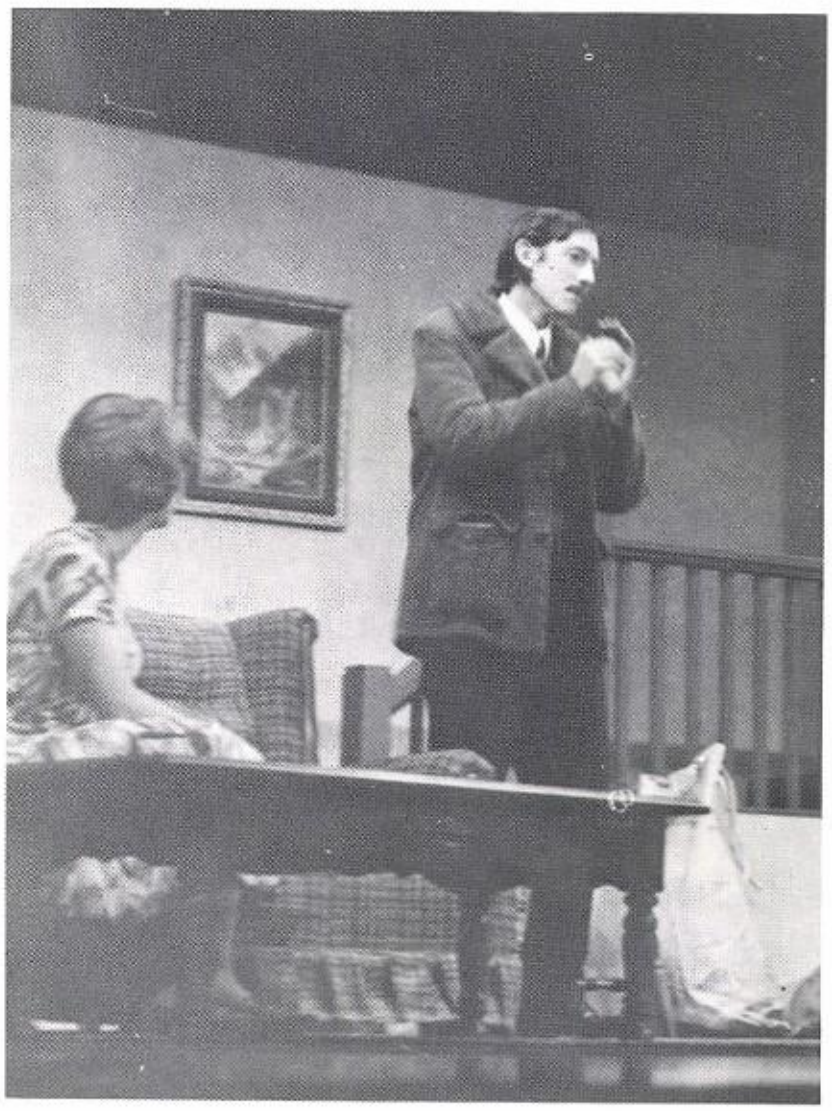
Jim Green takes a rest, is it in the script?



All eyes seem to be on the housekeeper, Lizzie, played by Ann Throckmorton.

Laura Brommer holds a big smile as she says to herself, "What's my line?"



Loy Watley playing the part of Howard Carol begins his long oration.

1976-77 Queen Candidates Outshine Stars

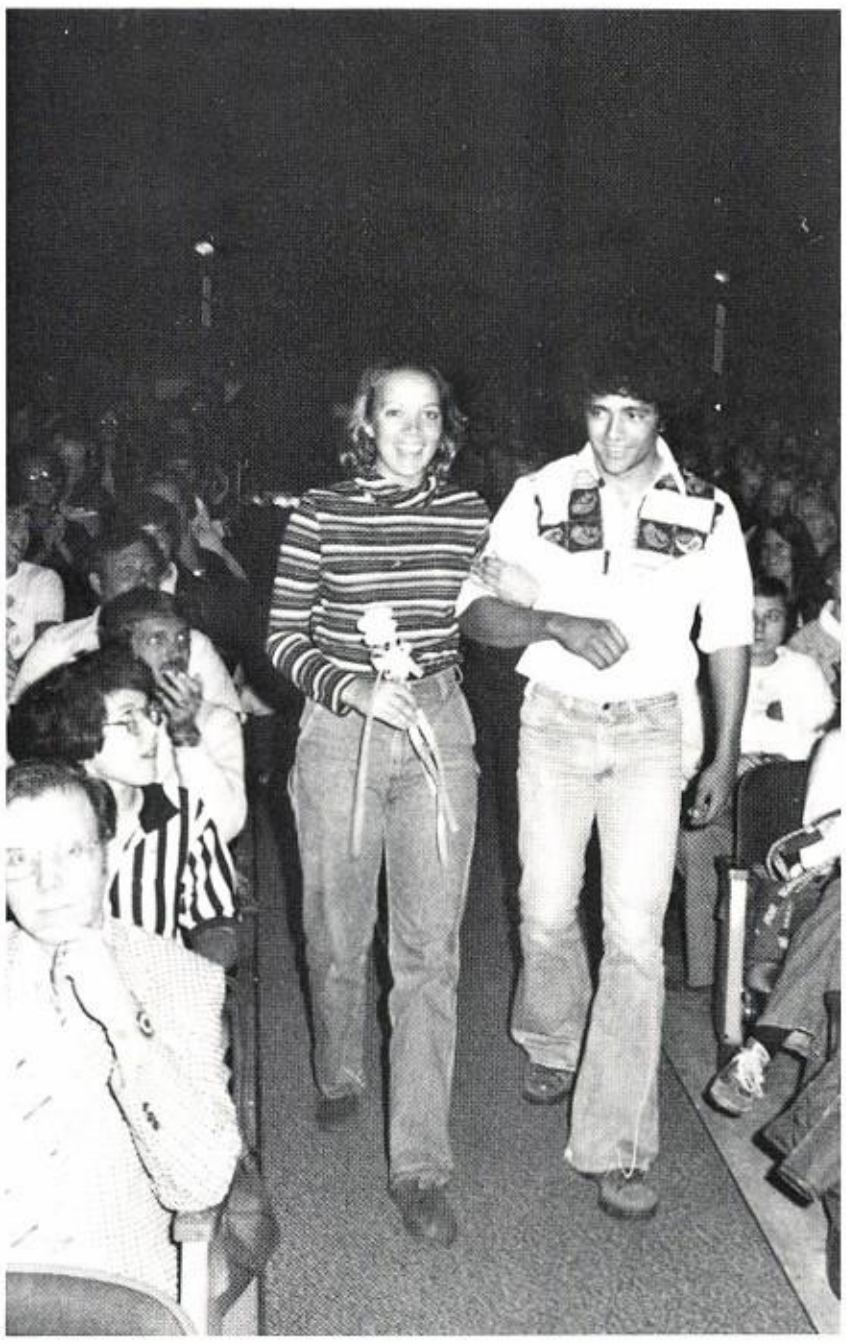
Six senior girls truly looked like Hollywood Stars on the evening of October 15. These girls were chosen by the senior class as queen candidates. Then the entire student body voted to determine the 1977 Queen.

The candidates were escorted onto the field during the Tigers vs. Lincoln Southeast football game.

A hush fell over the stadium shortly before it was announced that Karen Cambridge was Maid-of Honor and Lori Coulter was queen. Karen was crowned by Karen Johnson, last year's Maid-of-Honor, and Lori was crowned by Nancy Ralph, last year's queen.

The A. H. Jones Memorial Field then became a place of mad confusion as the students congratulated the new queen and her court.

After the game a semi-formal dance was held in the boy's gym featuring Fireball.



Chris Natvig smiles with happiness after being tapped as a queen candidate. Escorting Chris is Rick Sadd.

Tappers Top To Bottom: Mike Harris, Rick Sadd, Rick Minnick, Dave Clancy, Mike Karloff, Larry Johnson. Queen Candidates Top To Bottom: Karen Cambridge, Chris Natvig, Kris Cockerill, Lori Coulter, Ann Maisch, Lauri McElhinney.

Lori Coulter (Left) the 1976-77 Queen, participated and lettered in girl's sports for three years. In 1976 she was chosen as a Rotary award winner. Lori is the daughter of Mr. and Mrs. Gary Coulter.

Queen candidates Lori Coulter and Ann Maisch anxiously await the announcement of who will be the 1977 Queen.

The excitement of the night shows in the faces of Queen candidates Chris Natvig and Lauri McElhinney as they smile to friends.

Halftime of the Tiger-Southeast game is one of the most exciting and yet frighting times for candidates Kris Cockerill and Karen Cambridge.

Lori Coulter's face shines with excitement after being crowned the 1977 Homecoming queen.

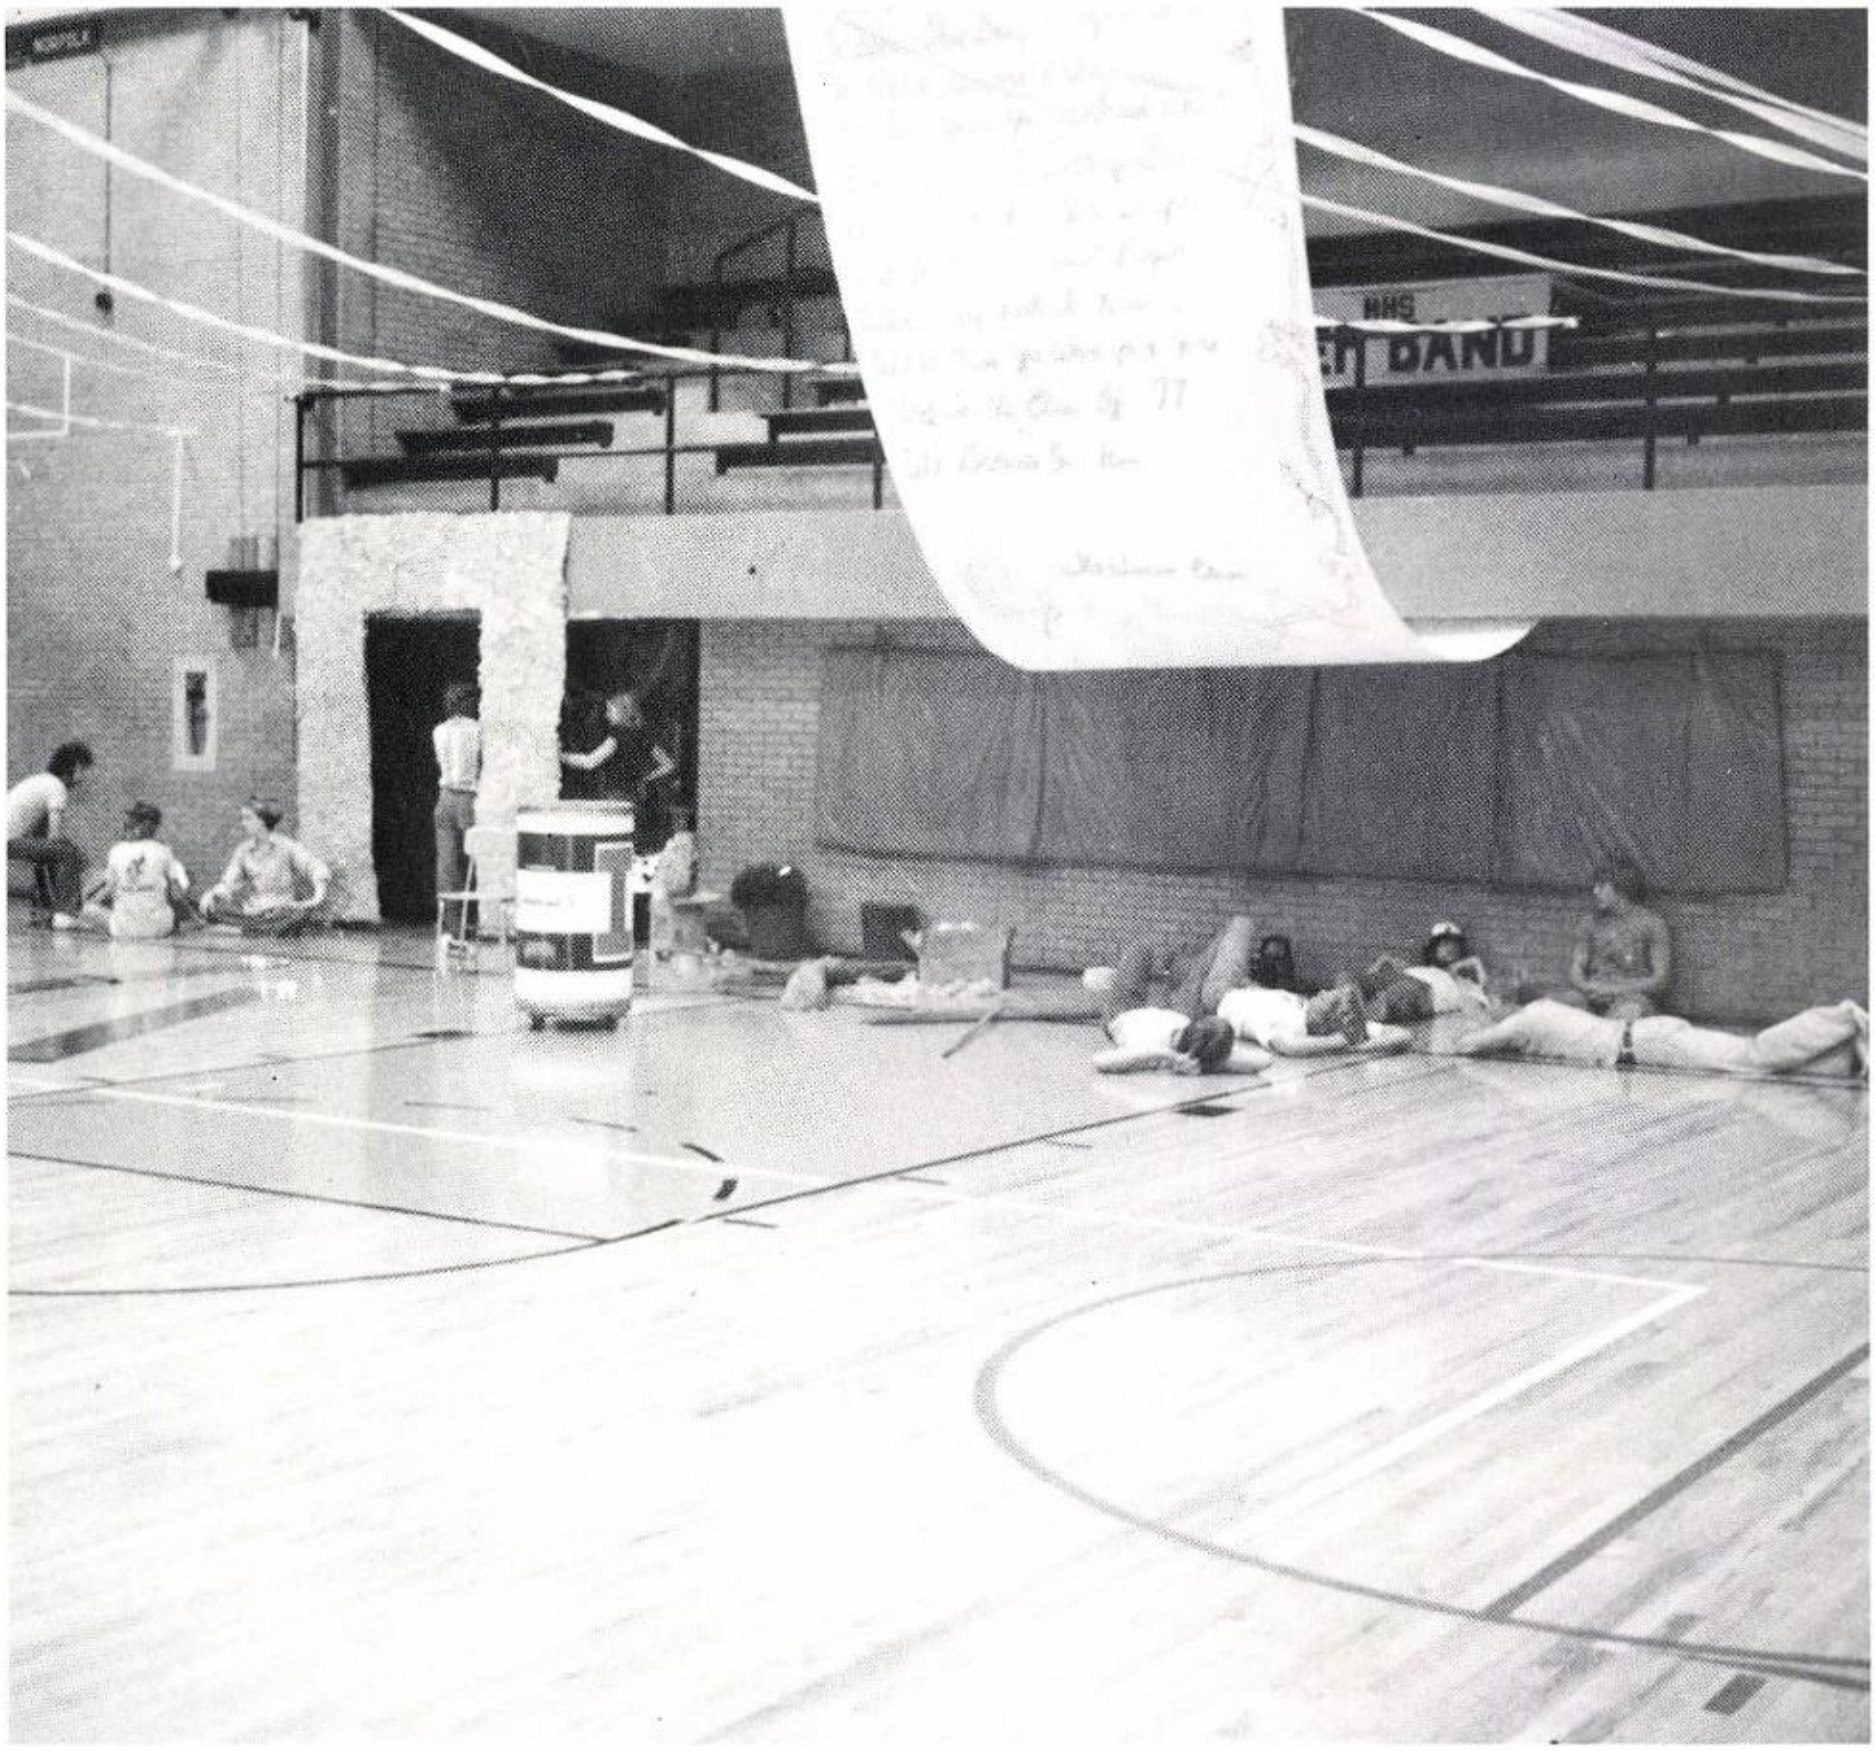
1976 Homecoming Queen Nancy Ralph crowns our 1977 Queen Lori Coulter while Lori's escort Greg Nielson looks on.

"Young at Heart" Theme for Jr.-Sr. Prom

After many weeks of planning, preparing, and hard work the juniors presented the 1977 prom. The theme of this year's Junior-Senior prom was "Young at Heart". Entering the front doors the couples walked across a wooden bridge with a stream flowing underneath. The walls leading into the gym were covered with streamers and tin foil and large tissue flowers. In the gymnasium there was a poem dedicating the prom to the senior class of 1977. In the center was a mirrored ball with different colors of lights reflecting. Streamers went from this center to the various corners of the gym. Under this was a wishing well where many stopped to make a wish. On one side there was a swing in each corner and park benches between. The refreshment table was made to look like a child's lemonade stand. This year's colors were yellow, orange and green.

Serving as student chairman was Junior Representative Barbara Hurt.

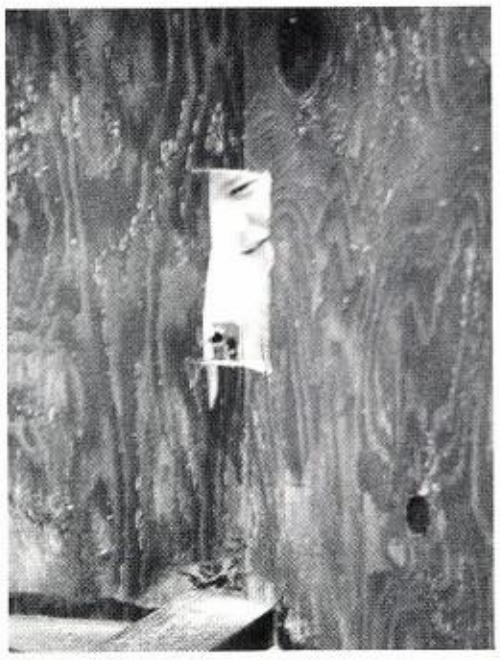
This year's sponsors were Miss Mary Terwilliger and Mr. Steve James.



Junior guys take a break while the gals put the finishing touches on the doorway. Many hours were spent preparing for the prom.

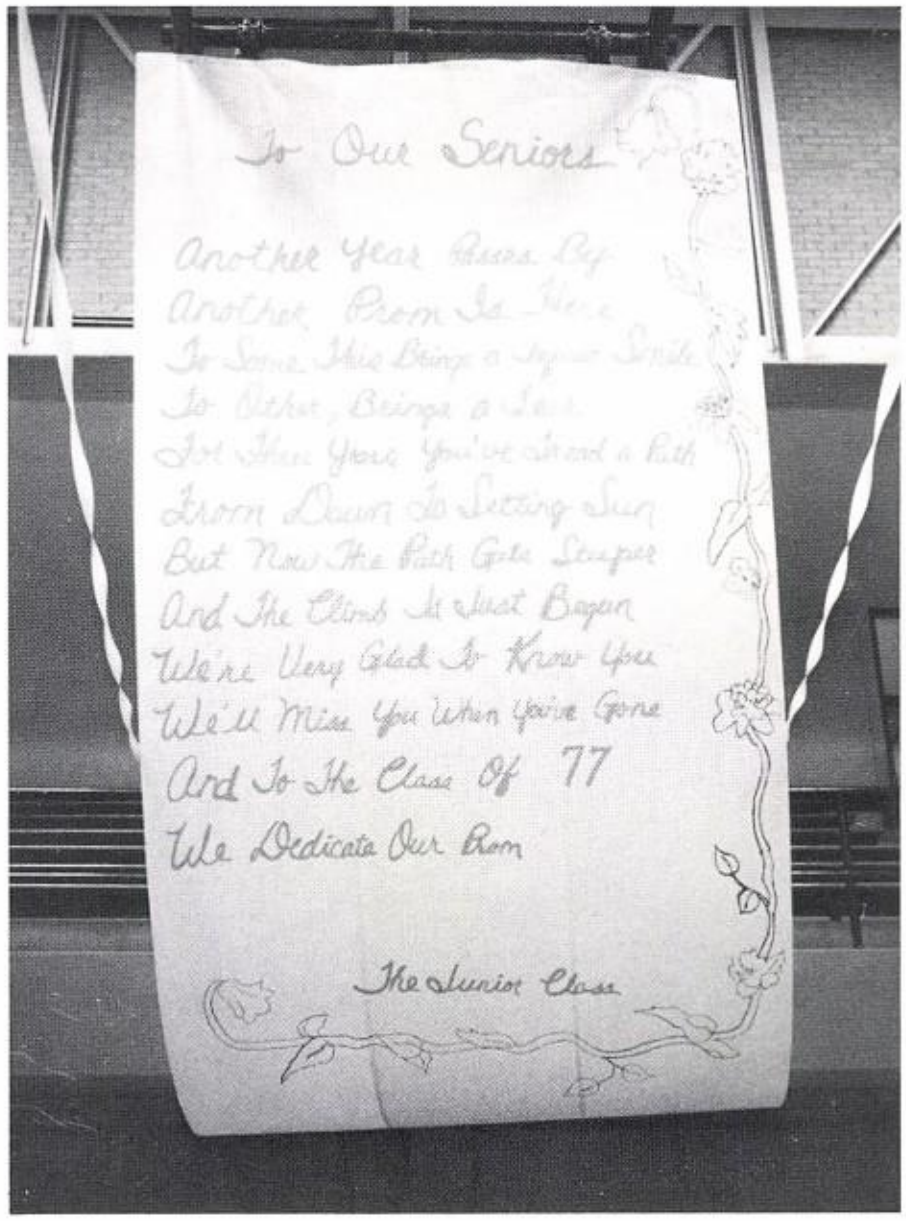
Before the lights are dimmed and the music starts, the Juniors finish decorating the gym. The theme of the 1977 prom was "Young at Heart."

Chris Bachman, Sandy Siemoneit and Karla Zaback finish last minute details on the wishing well.



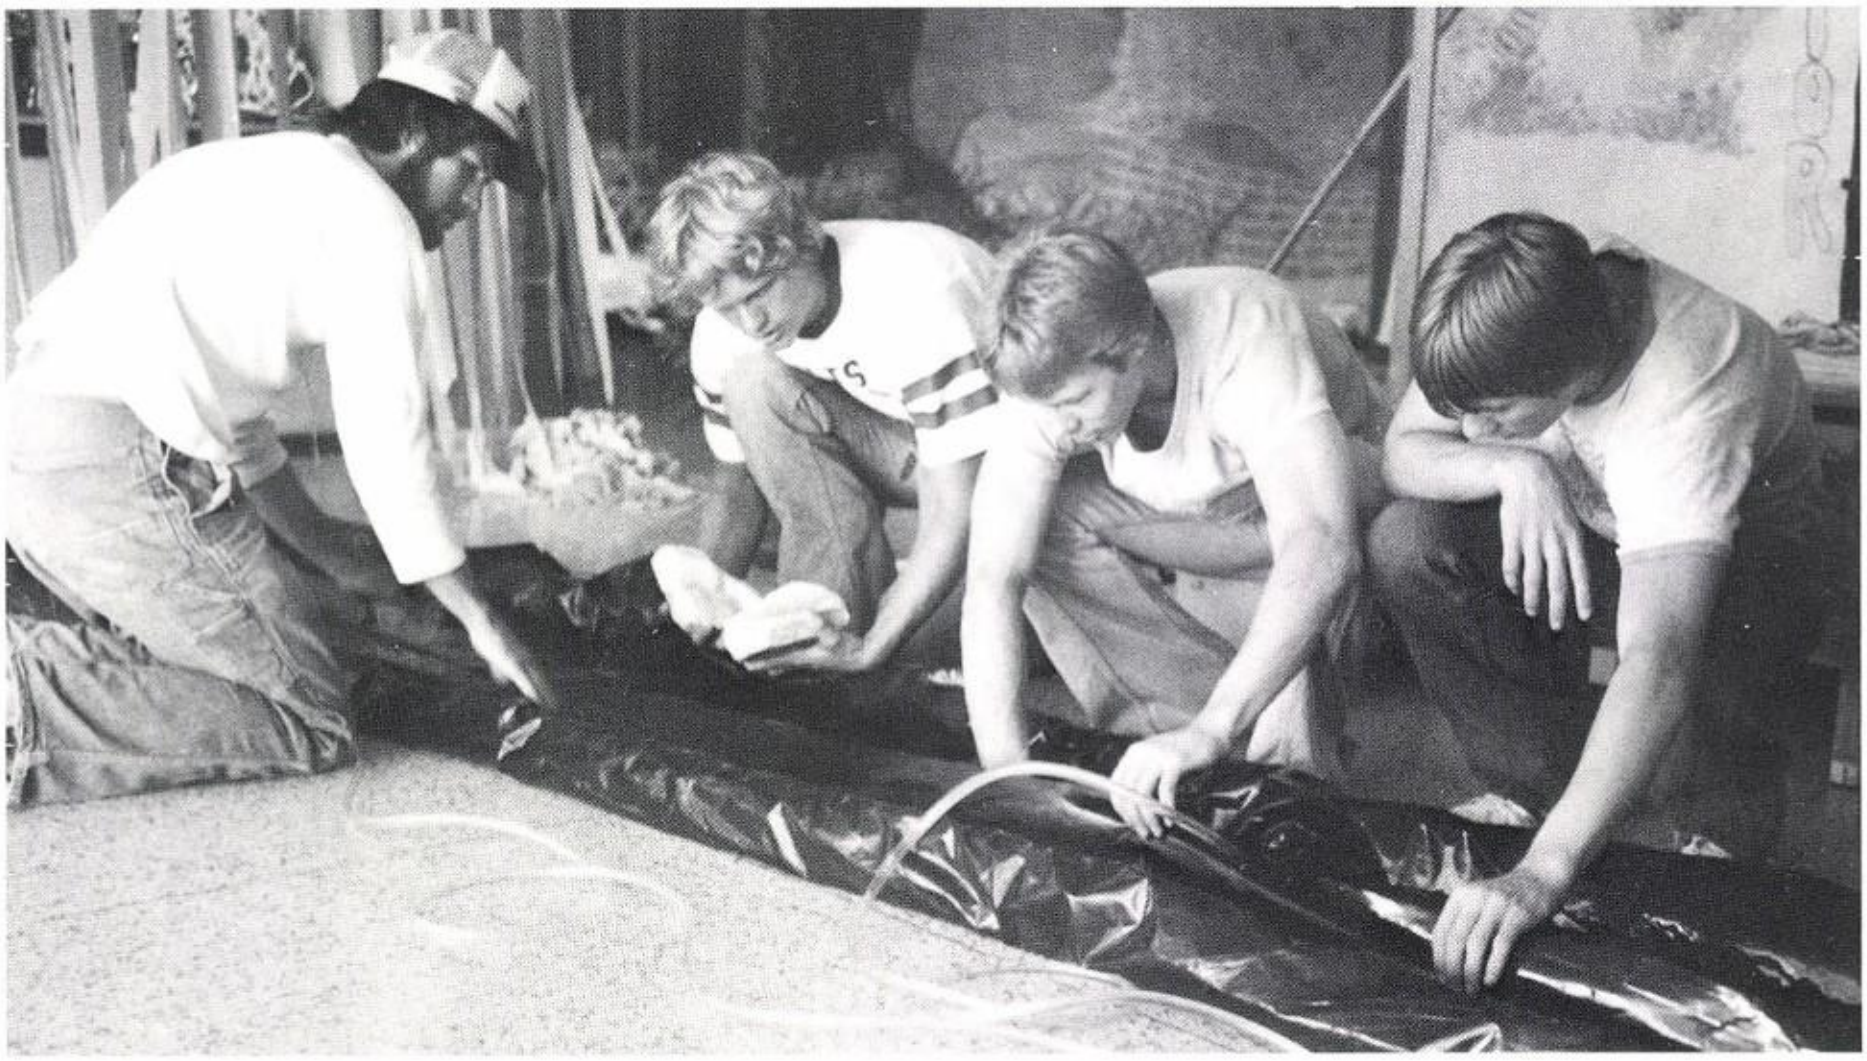
Chris Bachman saws away.

These girls find out that the entrance is as important as the gym.



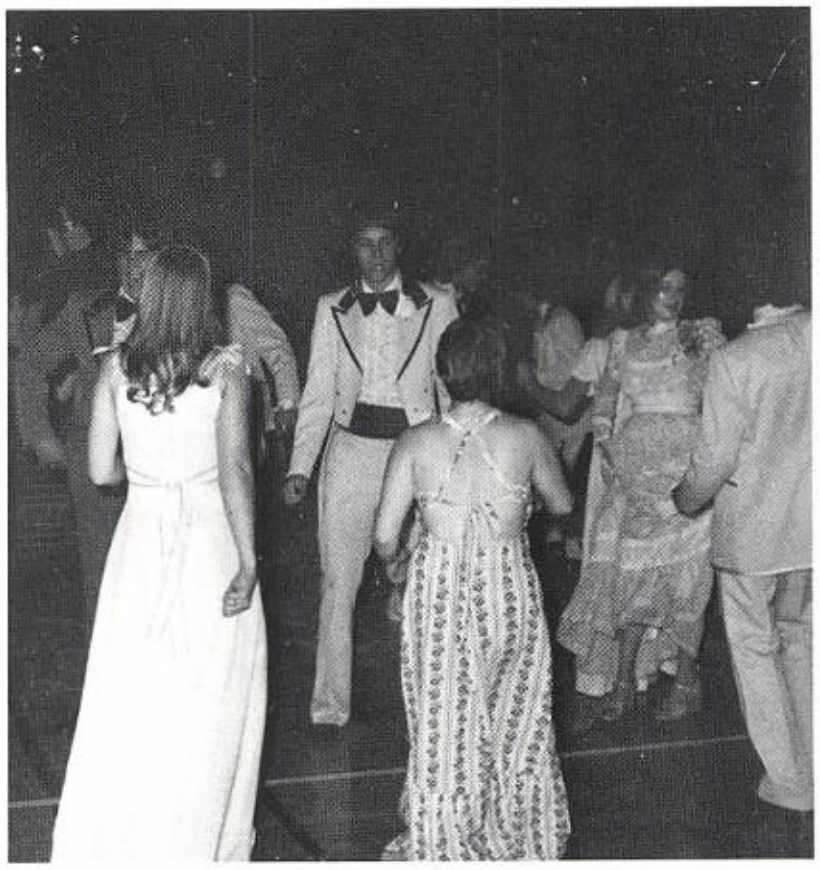
To Our Seniors
Another Year Runs By
Another Prom Is Here
To Some This Brings a Joyful Smile
To Other, Brings a Tear
For Them Your You've Had a Path
From Dawn To Setting Sun
But Now The Path Gets Steeper
And The Climb Is Just Begun
We're Very Glad To Know You
We'll Miss You When You're Gone
And To The Class Of 77
We Dedicate Our Prom
The Junior Class

This poem dedicated the Junior-Senior Prom to the Senior Class of '77.

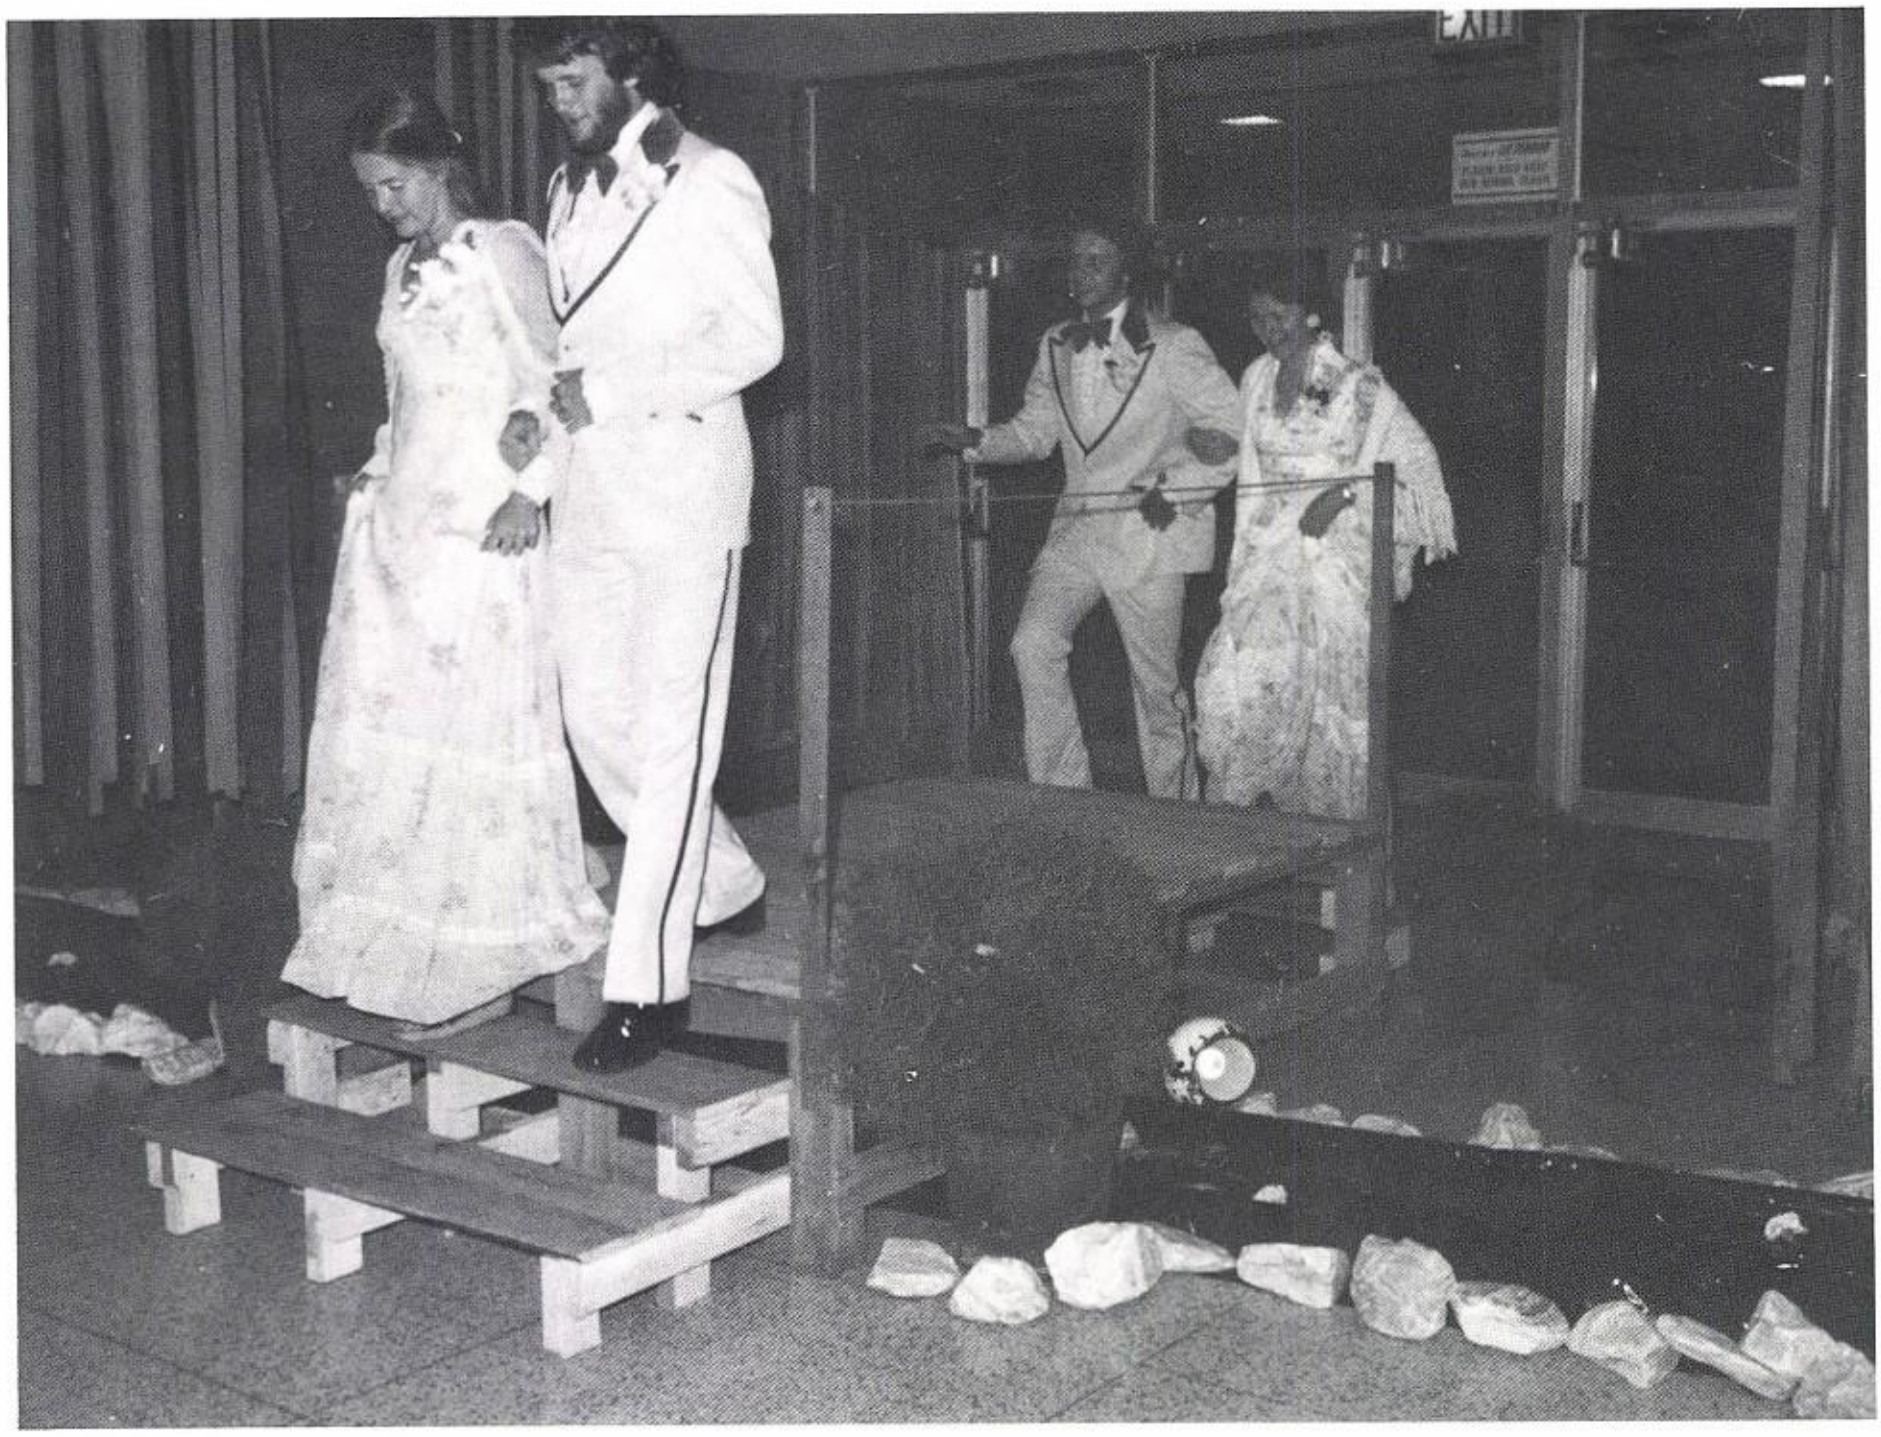


Russ Poppe, Doug Harms, Dave Kroeger and Sherm Johnson spent much of their time on the speciality of the prom, the indoor stream.

Before entering the gym the couples must stop to hand in their tickets.



Couples dance to the music of "Fragile", from Lincoln.



One of the main props of the entrance was the wooden bridge. Here Michelle Hoggatt, Rick Krull, Terry Hohnstein and Renee Hoggatt enter.

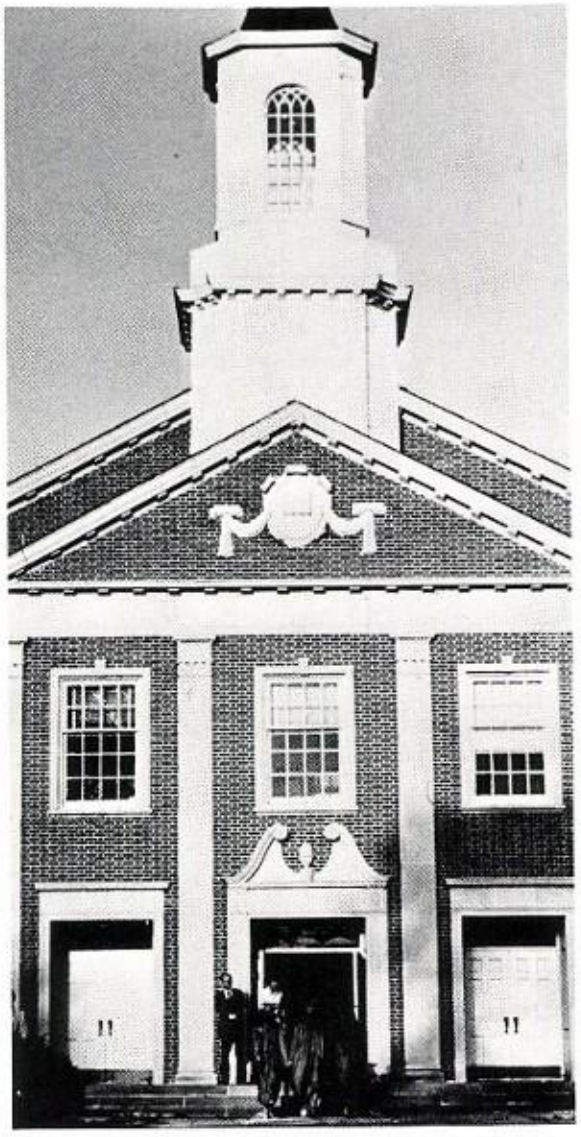
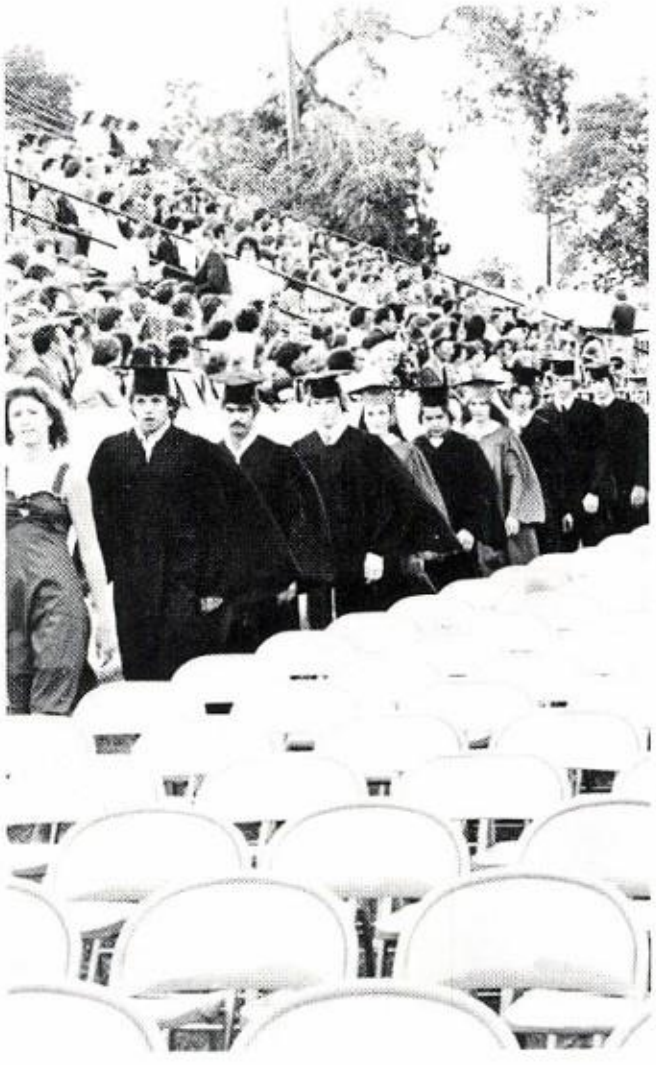
Dr. Murman gives last minute advice for commencement to the graduating class of '77.



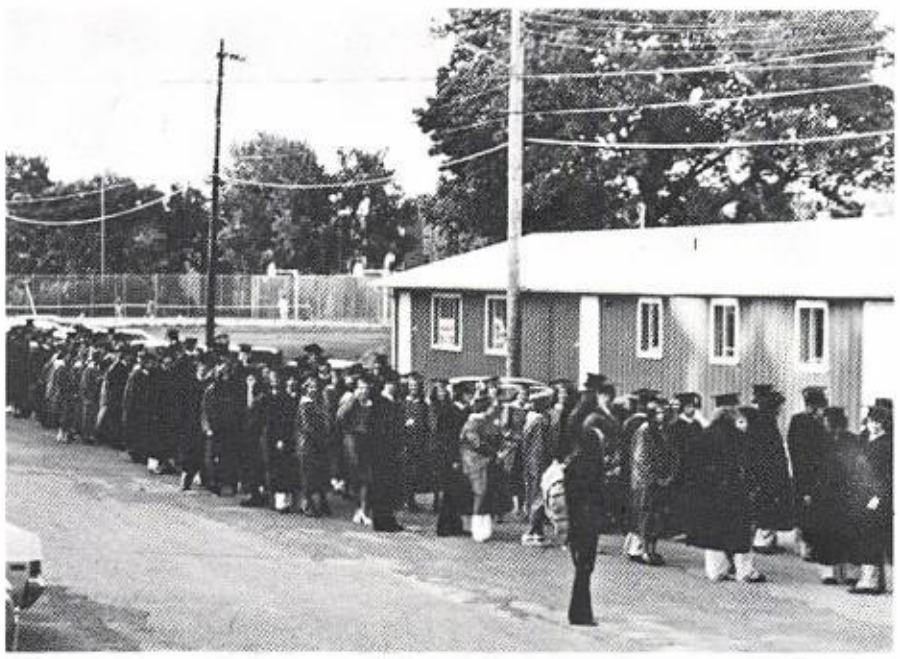
The French Memorial Chapel was the meeting place for seniors before commencement.

Vaughn Christensen helps the graduates with any last minute problems that arise.

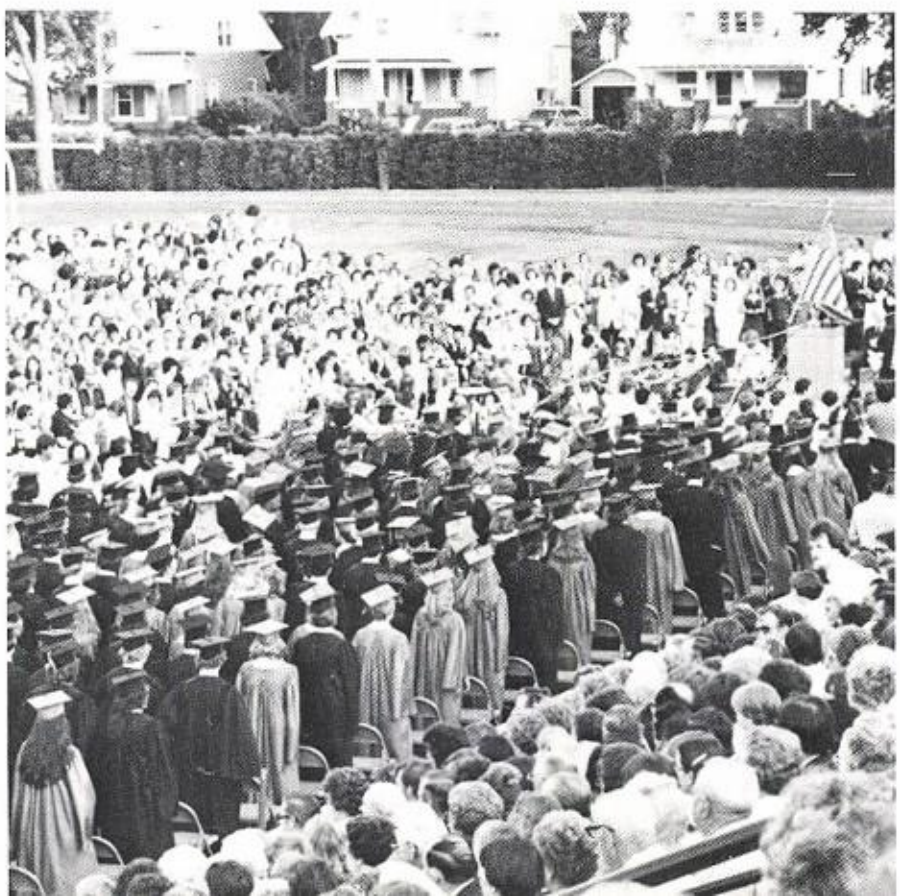


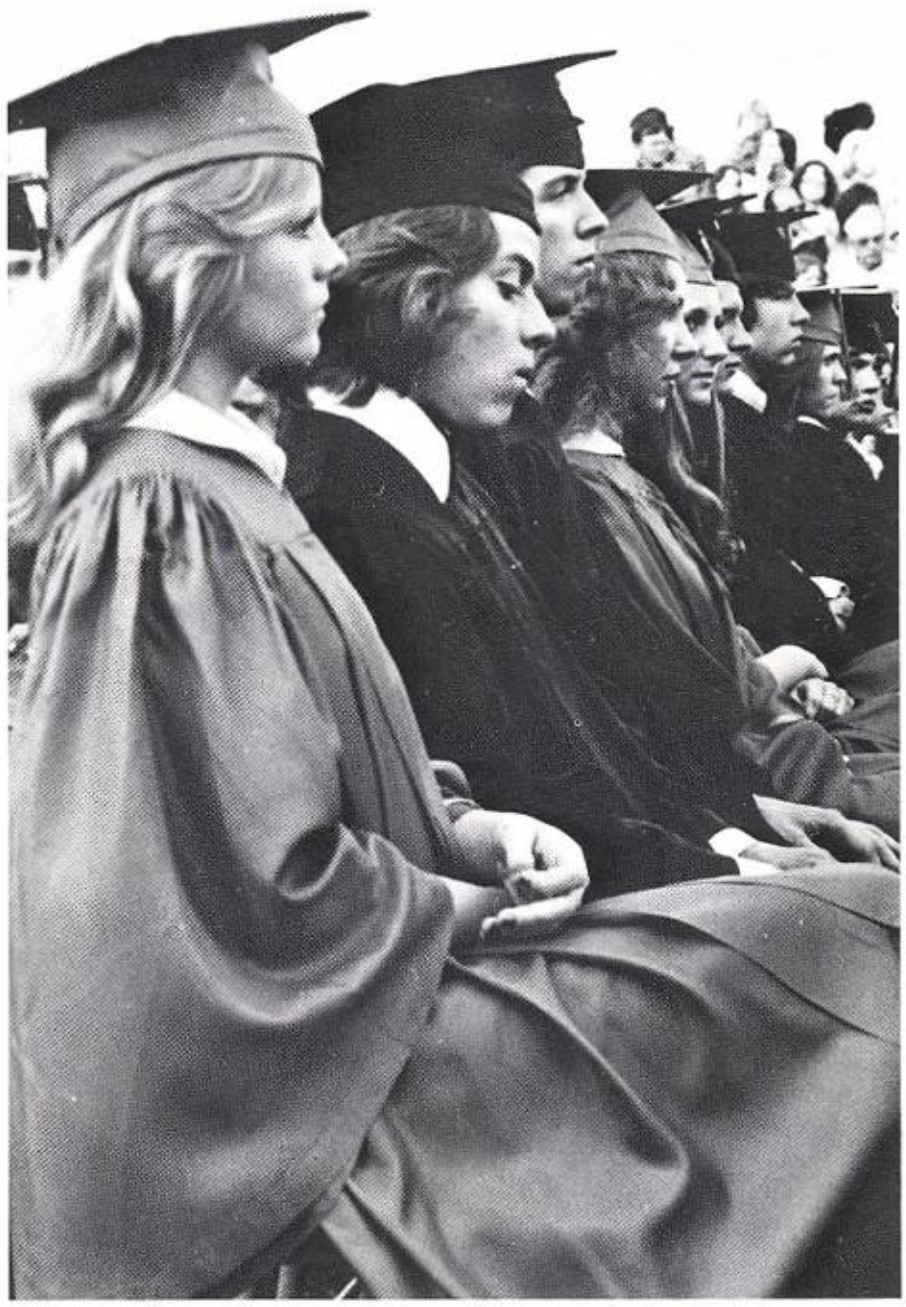
Junior usherette Barb Hurt leads the proud and happy class to their place of honor.

Rev. Schwab, Dr. Murman, Vance Rogers, Tom Jorgensen, and Carl Sanderson listen closely as Dr. Thomas Keating presides over the ceremonies.

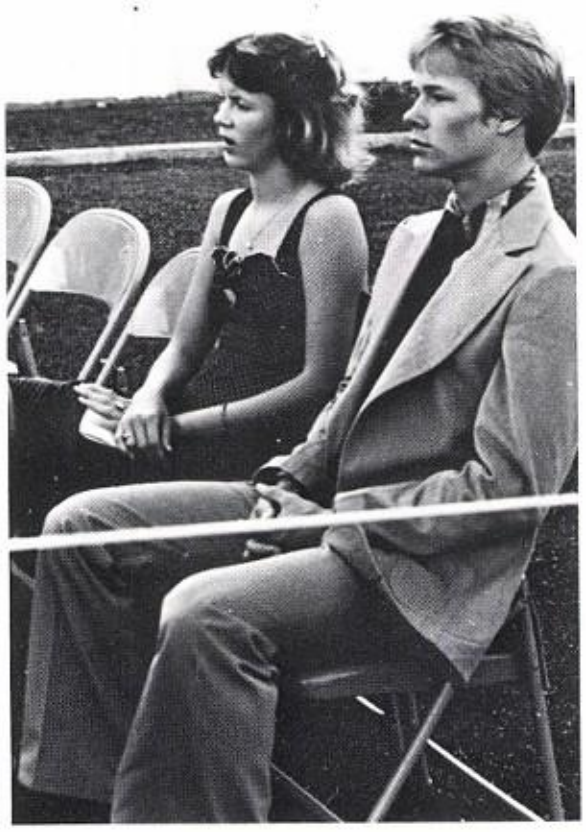


All is in readiness for the entrance of the class into the stadium.

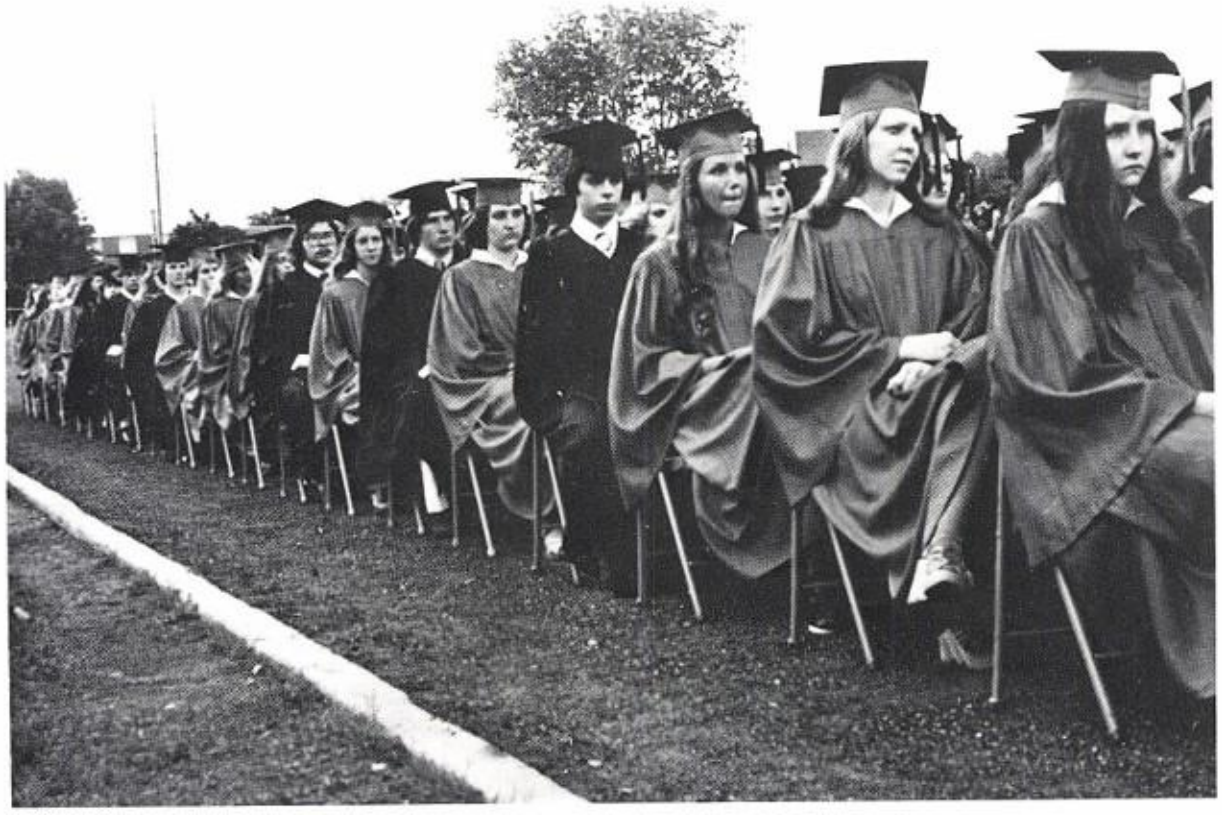




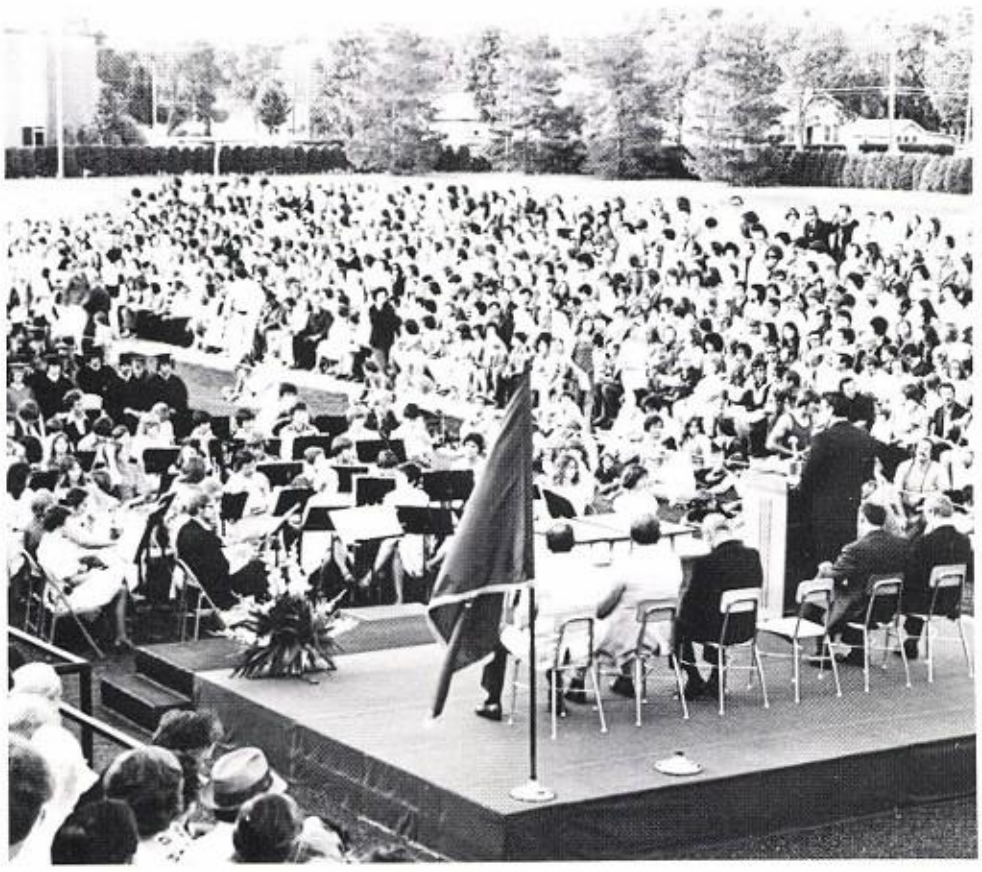
The joys, the fears, and the trepidations of going out into the world alone are seen on all the faces of these graduates.



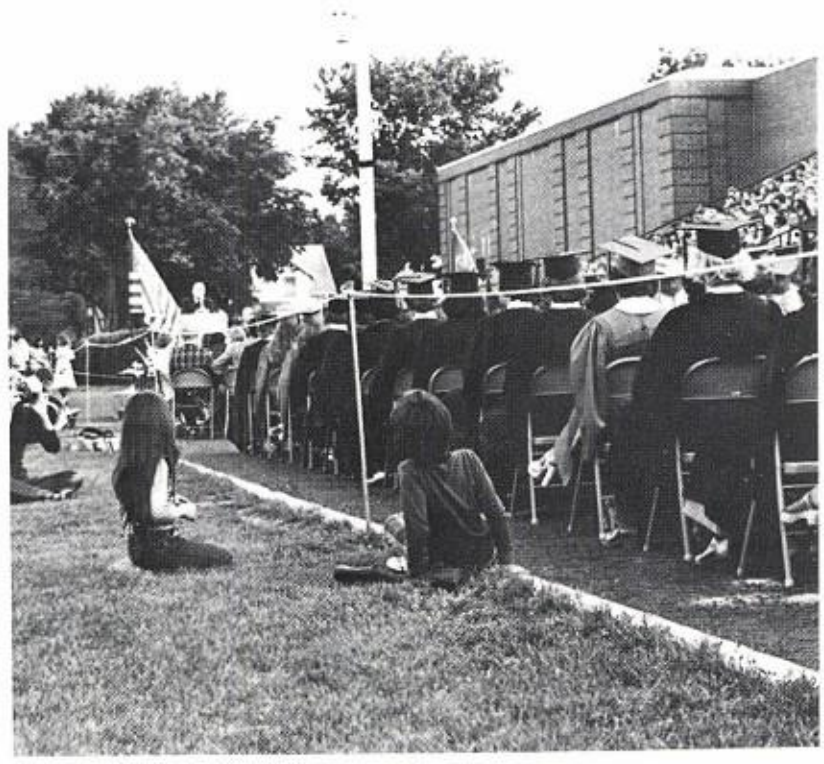
Barb Hurt and Dave Kroeger led the class in.



All the knowledge and wisdom of twelve hard years of learning can be seen in these faces.



Audience, band members, and the class listen attentively to Dr. Keating.



Dr. Vance Rogers captures the attention of not only the graduates, but of their families, friends, and all spectators.
